## ABSTRACT

The report *Spain: Guidelines for Canadian Fish Exporters 1993* provides an overview of the Spanish market for fish and seafood products, including information on various aspects of the Spanish economy and factors influencing fisheries imports into that market. Other information in the report includes: basic data; the Spain seafood market in brief; country information; consumption habits; the domestic Spanish fishing industry; distribution channels; market access conditions; documentation; trade contacts; importers/distributors/users; transportation; and statistics.
