I Note, en date du 13 juillet 1959, adressée par l'Ambassadeur des États-Unis d'Amérique au Canada au Secrétaire d'État aux Affaires extérieures	5
Annexe	7
II Note, en date du 13 juillet 1959, adressée par le Secrétaire d'État aux Affaires extérieures à l'Ambassadeur des États-Unis d'Amérique au Canada	19

The Ambassador of the United States of America presents his compliments to the Secretary of State for External Affairs and has the honor to refer to the Note of July 13, 1959, and the Annex thereto, regarding the proposed establishment of an integrated communications system for ballistic missile early warning between the United States of America and Canada. It is the intention of the United States Government to utilize communications facilities in Canada to the maximum extent possible consistent with technical capabilities in order to obtain the required service. It is understood that any action to be taken by the United States Government in connection with the establishment of a ballistic missile early warning system is subject to the availability of funds from the activities which are to be carried out in connection with the establishment, maintenance and operation of an integrated communications system in support of a ballistic missile early warning system be governed by the conditions set forth in the Annex to this Note. It is proposed that the Secretary of State in the United States of America and the Secretary of State for External Affairs in the United States of America should be consulted on the date of the proposed agreement between the two Governments, effective from the date of the exchange of notes.
