E. Lever of East Riverdale won the iuvenile division after a very strenuous cussie with Aibert Hambley of Moss Park. Litty Sammy. Gold, in the midget class, showed his mettle against the rest of the entries from the various centres and won the championship, as well as the good wishes of the crowd.

Jas. Boland, the undefeated conth lazen of East Riverdale and McCammon of Moss Park, met and defeated both Hazen of East Riverdale and McCammon of Osler quite handily.

The final and perhaps the classiest bout of the evening was between E. Bloom of Elizabeth and W. Hezen of East Riverdale. These boys are finished wrestlers in every sense of the word and furnished a real exhibition. Summary:

London Free Press: While it took considerable time to extract this bit of baseball information from St. Thomas quarters, however, it must be admitted that there is a tinge of briskness attached. Carl (Dad) Stewart, at one time leader of the Saints, and since the heavy hitting outfielder of the London, Peterboro and Ottawa Clubs, bursts forth with some important announcements now that he has again been entrusted to the pilot berth of the newly-organized St. Thomas Baseball Company. "Dad," we prefer to call him that, has secured several new faces for his 1915 squad.

Among the number is F. Shaefer, who gives his domicile as Philadelphia, Pa., a lirst baseman, with a hitting average of 350 in 1914 in some league. Another is Second Baseman Harry Hett, son of Adam Hett of Berlin, Ont, but now a resident of Toronto, where the former makes his home in the winter time. Hett was a member of Deneau's Brants last year, but finished his season with a team in the Wisconsin-Illinois League, where he hit for 300 and purloined 15 bases in 14 games.

Dave Inker, the catcher, who can hit in a pinch, will again this year be on the line-up, but the majority of last year's performers have not attached their names in pen and ink.

Stewart is after an outfielder named Long of Lima (Ohlo), as well as two left hand pitchers; something that would be unbecoming in a Saint uniform, as it is cutte uncommon.

Frank Pyne, son of the Ontario minister of education, is going to fight for his King and country. Frank has enlisted as a private with the Army Service Corps ammunition column, and will leave with the second contingent shortly. Frank set a record while attending Upper Canada College that has never been equalled. Some seven or eight years ago Pyne captured the junior and senior aff-round athletic championship of U.C.C. all in one afternoon.

Bill Hawkins, the King's prize winner at Bisley in 1913, has enlisted with Pyne and they will go together.

Tuesday night officers will be elected and a schedule will be drawn up.

Oskee Neale, the London outfielder, better known as "Greasy," will not be with the Cockneys this season. He belonged to Cleyeland and was merely loaned to Reisling at the tail end of last season in an effort to beat Ottawa. Neale will play in the outfield for the Dayton Club of the Central League this year.

Eddie "Rabbit" Fried has signed up with Brantford and will play short the coming season for the Red Sox.

National League umpires this year are going to have to announce the whole line-up of the opposing teams instead of merely batteries and battery changes as heretofore, according to an announcement by President Tener.

Bob Bescher, the Giants centrefielder, has accepted the terms of the St. Louis Cardinals, and will join that team. Bescher was given to St. Louis in exchange for Pitcher "Pol" Perritt. He will receive a salary of \$8000.

Ray Clement, the St. Thomas pitcher, is a free agent and wants to play with Shag.

George Ort, who captained and played second base for the Toronto Beavers, is free and wants a job on the Senator's infield.

A couple of Montreal reckies will try out with Ottawa this spring at their own

SOCCER NOTES

Outfielder Bill O'Hara has signed his contract with the Toronto Ball Club. O'Hara has been training since the first of February and looks forward to another good season. His batting figures in the last campaign were 303. He stole 25 bases and drew 62 bases on balls. Should he be rewarded with the captaincy of the team the appointment would meet with the approval of the fans.

Adoption of the Federal League's schedule and other final preparations for the opening of the season, which were long delayed by the negotiations over the circuit changes, probably will take placs when leaders of the organization gather today at New York, it was said by President Gilmore. Managers Stovall of the Kansas City Club and Phillips of Newark, who may change places, will attend the meeting, and a big three-cornered trade involving players from Brooklyn, Kansas City and Newark, may be made, it was said. riendly game with the Bank of Commerce F.O. at Little York, March 27th, at 3 p.m. The team will be picked from the following: Jones, Siddall, Toyne, Hoyland, Gooding, Salmon, Simpson, Woolfey, Addison, Markle, Evans, Francis, Bailey, and Troke.
