Davisville

The annual congregational meeting of the Davisville Methodist Church was held last night in the church auditorium, with the pastor, Rev. C. W. Reynolds, in the chair. After a brief devotional service in which the boys at the dront were the outstanding theme, the business of the year was dealt with. The church has made a net increase during the year of 66 new members, notwithstanding a num-ber of losses thru removal and other causes. The total amount raised for the yarious church funds during the year, \$713, shows a substantial increase over last year's financial standing. The Tetirement of George Goulding from the office of treasurer M. Branshaw was appointed to the position by the unanimous wish of the congregation. The congregation elected eight additional members to the quarterly official board, consisting of J. Luck, A. Tempest, G. Goulding, Thomas Breen, J. Graham, H. Woods and H. Hines. The choir of the church assisted during the evening.

A good solid roadbed of concrete eight inches deep is at present being laid on the Danforth side of the Bloor street viaduct, and the stretch from the foot of the bridge to the corner of Broad-view on the mbrth side was nearly com-pletd yesterday. The work on the Danforth side is making good headway, and the curb is completed from the end of the bridge to Danforth avenue. Wood blocks are piled on this approach in readiness for laying and along the entire length of the viaduct, waiting for the rails. On the Rosedale side work of laying water mains and drains still continues and slower progress is being made than on the Danforth side. Mrs. H. W. Dawson of Brampion has received word of the death of her uncle, William W. Craig of Montreal. Mr. Craig was the son of the late Robert Craig of Brampton, a well-known cattle dealer. He left town as a young man and settled in Montreal, where he has been very successful in business, and where he was a member of the board of trade for 45 years. He is survived by his wife, Miss Leuty, of Burnam-thorpe, six daughters, one of whom is the superintendent of the Western Hos-pital of Montreal, and another princi-pal of the Canadian. The meeting of the Peel Deanery Sunday School Association will be held in Bramp-ton in October.

It is the busy season for the farmers, and it is likely that there will not be much doing at the market for another ten weeks. This is the opportunity for the dealers who go thru the country, and, at their own price, get what the farmers have to sell. The farmers will gladly part with their produce rather than have to take the trip to town, for every moment counts when help is so scarce.

MANY CARS AT BRAMPTON.

The people of the county have to go to the deputy-sheriff. C. E. McCollum, for their motor licenses. So far this season there have been issued 599 licenses. FAIRBANK RESIDENTS WANT DRINKING WATER

Three young men have donned the khaki this week: Clarence Pearson, Fred Young and Harold West. Young Pearson has a brother at the front already, and Fred Young's brother has come home with a disabled hand.

A section of Fairbank citizens are sreatly disappointed because of the de-cision of the authorities to lay the new water mains in the north end of Yaughan road only, leaving other sections without city drinking water. The Fairbank Ratepayers' Association has taken this matter up recently, but without results, and the use of wells without results, and the use of wells without results, and the use of wells will have to be continued. There ap-pears to be none too much of drinking otraw from five wells. Some of the residents have decided to dig wells so that no shortage may occur as was the case last winter. Clarence Lyons, son of Councillor Lyons, of Chinguacousy, one of the most popular young men in the district, was given a fountain pen, a safety razor and a purse on 'arriving home to bid his friends good-bye this week.

Enclosed in a number of the boxes was a prayer compiled by Miss Cartwright of Toronto, that appears in the official organ of the Anglican Wom-en's Auxiliary.
