THE WORLD'S HOME MAGAZINE FOR WOMEN

Edited by MISS L. E. McCULLY, B.A.

From the wholesales comes the news pattern from sagging, bands of tape, that the new stock of hats which will itself, cut on the straight, should be room style, which we heard was go-ing out. The difference lies chiefly in it flat in a drawer. Hanging tends to the crowns, which are to be much larg- make the parts cut on the bias sag. er and also higher than in the summer styles. They are, moreover, banked with flowers in various styles and nues, mostly the larger ones.

tion of these tints, from violet to laves sented at noon to-day. Both showed endar, is to be worn. The brown-hair marked progress in all branches of the ed girl, with brown eyes and fair complexion, gets her "innings" in here.

Three life patrons were elected: Miss. To no one is this particular color more M. J. Scott, Mrs. Austin and Lady Pelecoming.

The hats described above have an address of the hats described above hat address of the hats de

ditional new feature. They are short past year were: Mrs. Moodie of Hamilin front and project out at the back to ton, Mrs. Davis and Lady Edgar of remarkable extent in comparison Toronto and Mrs. Fairie of Montreal. with the spring hats, which showed more depth in front.

A pretty lingerie dress is shown in princess style, of eyelet embroidery on heavy linen. It is very simply made. with sleeves slightly past the elbow and transparent yoke. Stripes are comgoods, and many chic semi-tailored without cross lines of trimming.
With a white linen suit nothing can

look more charming, in view of the also with ferns. Miss Ethel Husband, present rage for brown, than brown pique collars and cuffs, with a hat to match. The recent edict of fashion, which frees one from the obligation to wear a hat to match the gown, can her brother, and was gowned in chiffon be taken advantage of here. A prown with soft white silk under a semi-emtaken advantage of here. A prown tulle hat, or tuscan straw with brown feathers, sets off the daintiness of a veil and wreath of white heather and white linen or lingerie frock to the

very best advantage. Nearly all the new fashions show a

jumper with coat effect, or with some lace or lighter waist beneath. In fact, Mrs. Husband left for a honeymoon the present style is admirably adapted for remodelling old, but not wornout clothes. Bretelles with fancy girdle and pieces coming below the waist line can be made of silk from an out-of-date dress, and trimmed Master Graham Garner, left yesterday with lace or bands of embroidery. Rib-bon embroidery still holds its place brother, Rev. W. G. Garner, at his

FOWLER'S EXTRACT OF WILD ! STRAWBERRY

such a subject? Does it never strike anyone that a man is entitled to as much consideration as an animal? How can it be expected, when our laws resemble those of Spain during the Inquisition; when a woman can be bullied and insulted in a courtroom, whither she comes as a respectable witness; when a man can be coerced into a false confession, as is constantly done in the so-called free (?) republic (?) to the south of us, where prisoners are tortured in all conceivable manners-how can it be expected, we ask, that an ignorant and overworked driver should have more consideration for his horse than the chosen representatives of the community have for their fellow-men?

The question is natural and proper. Has no one a word to say on
