NO. 83 YONGE-STREET, Toronto.

It is agreed on all sides that Sir Wilfrid Laurier has acquitted himself nobly hroughout the Jubilee preceedings. speaker and is possessed of a pleasing These failures for the second quarter of sit than upon a throne. any size of the very best materials. For their benefit we quote the Jubilee is concerned he has done an aggregate of \$43,684,876, a larger credit to the Dominion. But the Jubi- amount than that of the corresponding lee has another aspect besides the ceremonial. It was the occasion of the interchange of political ideas on the great problem of Imperial Federation. The Canadian premier will have to be judged were due to the effects of the depression many of the public as may happen to be by his policy in connection with Imperialism rather than by his qualification as a mere ceremonialist. The glamor of the Jubilee is now growing dim, and the people are awaiting with great interest an announcement of the new policy that is to unify and strengthen

> concerned he has declared himself in favor of a policy looking towards the adoption of the English idea of free trade by all the colonies, as far at least as local circumstances will permit. Sir Wilfrid Laurier has declared in favor of a free trade Empire. He would allow the United States as free access to the British markets as Canada. He engress which moved the resolution in

favor of an arrangement "as nearly as possible in the nature of a zollverein, based upon principles of freest exchange of commodities within the Empire consistent with the tariff requirements incident to the maintenance of the local government of each kingdom, dominion, province or colony now forming part province or colony now forming part of the British family of nations." There is no doubt whatever of the

"That resolution I understand to That resolution I understand to be one for the creation of a British zollverein or customs union, which would establish at once practically free trade throughout the British Empire, but would leave the separate Empire, but would leave the separate contracting parties free to make their own arrangements with regard to duties on foreign goods, except that this is an essential condition of the proposal—that Great Britain shall consent to replace moderate certain articles which are of large onies, Now, if I have rightly understood it, these articles would comprise corn, meat, wool and suderstood it, these articles would comprise corn, meat, wool and sugar, and perhaps other articles of enormous consumption in this country, which are at present largely produced in the colonies, and which might, under such an arrangement, be wholly produced in the colonies and wholly produced by British labor. [Cheers.] On the other hand, as I have said, the colonies, while maintaining their duties upon foreign importations. duties upon foreign importations, would agree to a free interchange of would agree to a free interchange of commodities with the rest of the Empire, and would cease to place protective duties on any product of British labor. That is the principle of the German Zollverein; that is the principle which underlies federation in the United States of America; and I do not doubt for a moment that if it were adopted it would be the strongest bond of union between the British race throughout the world. [Cheers.] I say such a proposal as that might commend itself even to an orthodox free trader. It would be the greatest advance that free trade has ever made since it was first advocated est advance that free trade has ever made since it was first advocated by Mr. Cobden to extend its doc-trines permanently to more than three hundred millions of the human race, and to communities. three hundred millions of the human race, and to communities, many of which are amongst the most thriving, the most prosperous, and the most increasing in the world. On the other hand, it would open up to the colonies an almost unlimited market for their agricultural and other productions."

THE TORONTO WORLD proved by the British Government.
ONE CENT MORNING PAPER. The London Times is in sympathy with the policy of Imperial protection.

The Canadian delegates to the Bri-Branch Office, 70 King-street east (next tish Congress announced themselves in favor of Mr. Chamberlain's policy.

45 cable despatches would seem to judi-cate. Before saying more on the sub-his voice and said: "You promised a long SIR WILFRID MISREPRESENTING CAN- ject The World awaits fuller particulars time ago to take me up the Humber in of the Canadian Premier's public utter-

How did yeh get it off?" This was den Club leaflets is issued under the title of "The Neo-Protection Scheme of the Right Hon. Joseph Chamberlain, Secretary of State for the Colonies."

The author of the leaflet is the Right Hon. Lord Farrer.

We do not want assisted impulsed to the conditions in which he will find himself the conditions in which he will distinguish the find of much everybody roared, and the lady turned on her heel and stood at a distance while the condition on the green background, the boats at \$1 per 1000 feet. He desired some at \$1 per 1000 fee Speaking of this neo-protection scheme here. We do not want assisted immithe leaflet says the Colonial Secretary gration, but we do desire some kind of just then, and the Imp was induced to

Higher still we rowed, till the old mill just then, and the Imp was induced to rose ghostly and rulned among the trees, the leastet says the Colonial Secretary publicly not only intimated his own desire and that of the Government for Imperial protection, but has sketched an outline of such a scheme, and, continues the leastet, "The Times has patted the Colonial Secretary on the back."

Lord Farrer says the proposals of the Canadian delegates at the congress and of Mr. Chamberlain "are in effect one and the same." The following extract from a speech by Mr. Chamberlain at Britain will obtain her food supplies from the colonies, instead of from the united states some kind of preferential trade in virtue of which leave the dog for a seat by the motorman, and soon we were spinning out on a crowd, the time and seat by the motorman, and soon we were spinning out on a crowd, the mental trade in virtue of which Great Britain will obtain her food supplies from the colonies, instead of from the United States and Russia. Let us bicasant homes with green lawns in the bridge broke upon our ear. Here we he bridge broke upon our ear. Here of Mr. Chamberlain "are in effect one and the same." The following extract from a speech by Mr. Chamberlain at the congress in question proves that no ambiguity exists in his mind as to the necessity for such a policy or as to its utility in the process of Empire building. Speaking to a resolution submitted at the congress the Colonial Secretary said:

| Chamberlain at trade relations will bring the men and wheat fields together. Great from a dusty whiring and using the men and wheat fields together. Great from a speech by Mr. Chamberlain at the congress in question proves that no ambiguity exists in his mind as to the foreign and hostile countries for the necessity for such a policy or as to its utility in the process of Empire building. Speaking to a resolution submitted at the congress the Colonial Secretary said:

| Chamberlain at trade relations will bring the men and wheat fields together. Great supplies the congress on the lake side of the car. It was a pleasant sight to see the hundreds of people and their myrlad, children sporting along the sandy head out; babies, watched by their mothers, dug holes in the sand with their little, chubby, helpless hands; little girls in bare feet and less paddled about in the water, and a business, not a charitable, proposition.

| Chamberlain at the coloning extract from a dusty whiring from a dusty whire and susty whire and susty whire men and wheat fields together. Great was speed with wild pink men and with their was sweet with its side of the car. It was a pleasant sight to see the hundreds of people and their myrlad, children sporting along the sandy head out; babies, watched by their mothers, dug holes in the sand with their little, chubby, helpless hands; little girls in bare feet and less proved to the colonies and be independent of proves that no succeeded in securing seats on the lake side of the car. It was a pleasant sight to see the hundreds of people and their myrlad, children sporting along the sandy head out; beach which runs from Sunnyside out; babies,

The only difficulty about having "a good time" on Saturday afternoon is in deciding which of the many beautiful spots near the city or across the lake shall be the E. Sayers, Agent.
