# A PROTEST: Malicious Libel of Bible Students Induced by Maddened Clergy

The following evidence tends to show that the Catholic and Protestant clergy of Canada, angered by the continuous telling of truth-that-hurts by the International Bible Students' Association, have again inveigled high government officials into departing from their public duty and into using their office to circulate, at the people's expense, a wanton and malicious libel against the citizens who belong to that religious body.

Knowing that what the Bible Students say about them in "The Finished Mystery" and in THE GOLDEN AGE is true, and seeking to divert attention from their own unenviable position, the Canadian clergy have influenced the department of labor to insert the name of the International Bible Students in a list of alleged revolutionary and anarchistic organizations in an official pamphlet published at Ottawa in August, 1920, wherein the statement is made that the organizations named "propose to make over our economic system by forcible means." This statement has been given wide circulation by the press.

That the statement is a malicious libel as respects the International Bible Students is apparent when it is remembered that during the recent war the leaders of that organization were derided by the clergy everywhere as being "peace advocates"; and they were finally thrown into prison on the charge that their book, "The Finished Mystery," was opposed to violence. The clergy exerted their influence to keep them in prison, but did not succeed; the American Government, by its own motion, eventually dismissing all charges. Now the same clergy element would have the people believe that these Bible Students have been transformed over night into wicked plotters preparing to take up arms and to employ force to overthrow the economic system.

The fact is, the International Bible Students Association is an organization of Christian men and women who sincerely strive to follow in the footsteps of Christ Jesus. They are not against, but obedient to, "the powers that be," as the Bible commands; and their aims and activities are spiritual, not political. They consistently oppose the political and secular tendency of the modern clergy who attempt to mix religion and state to the injury of both. Bible Students deem it a duty to make clear their position before the world. The following letter of Judge J. F. Rutherford, president of the International Bible Students' Association

was sent to the Canadian Department of Labor, in protest against this unwarranted libelous attack:

London, England September 13th, 1920. (By Marconigram.)

Department of Labor. Ottawa, Ontario, Canada.

In a pamphlet issued under your imprint, dated August. 1920, and distributed to public channels of information, you have grossly misinformed the workers and general public of Canada, and measurably, of the United States, regarding the nature and activities of the International Bible Students Association, of which I am the President. I have reference to your statement on pages 13 and 14 of pamphlet entitled "Information Respecting the Russian Soviet System and Its Propaganda in North America," reading as follows:

'Various organizations in Canada are spreading socialistic propaganda, the promoters and leaders in most instances knowing full well that they are wilfully misleading many honest-intentioned citizens by the various dis guises, under which their aims are cloaked. "Among the numerous organizations referred to may be named the following:

## "International Bible Students"

Quite to the contrary of this statement, our Association was founded in 1881 "for the promotion of Christian knowledge, orally and by printed page"; and all of its activities have been consistently directed toward the furtherance of those ends. Neither our organization as such, nor the individual members of it, are in favor of violence. Further than that, this Association is in unanimous opposition to violence in all forms, as can be abundantly attested by neighbors, fellow-workmen, and fellow-citizens of its members.

Your statement that we are "spreading socialistic propaganda," and that we are "wilfully misleading many honest-intentioned citizens" by "disguises" under which our "aims are cloaked" are too grossly and palpably false to be overlooked. Either you have been misled into issuing this portion of your pamphlet through dense ignorance of the facts (in which case both writer and publishers are guilty of criminal negligence), or you have deliberately and wickedly perverted the facts respecting a purely religious organization. In either case the published perversion of facts is libel.

Rather than assume that the public officials of a great Dominion would purposely lend themselves to activities so base, we prefer to think that you have been inveigled into co-operation with the efforts and evident scheme of a maddened clergy to persecute loyal citizens because they are "non-conformist" and non-sectarian. Clerics and clerical hangers on have long opposed our religious activities; not willing to rely upon the Word of God for the establishment of their doctrines and practices, but seeking rather by misrepresentation to arouse public opinion and to call in

Everyone who has prayed Our Lord's Prayer believes it, or else is a hypocrite. We believe that Jehovah will establish his own power in his own way and the, but not by violence on our part or on the part of any of his faithful followers. anywhere.

May we not expect that you will employ such means as are at your disposal to rectify the libelous statement you have J. F. RUTHERFORD.

President, International Bible Students Association.
