There were three speed events on the card, the 2,20 trot, 2,30 pace and the wagon race for trotters, the latter being a half mile heat event, two in three. In the 2,20 trot, the little Bryson gold-ing, King Bryson, owned and driven by Ald Sam McBride, gainered in the sheckels by winning in straight heats and incidentally took a hew record when he marched home in front the first heat in 2,15%. The next two heats were in 2.20 and 2,20%, with the alderman's trotter winning handily, all of which makes him look to be at his best right now. Ira Bates' big mare, Lou Beile, in Jinmy Noble's stable, and Directnel from the Cruickston Stock Farm, Galt, showed a lot of step, but were unsteady. Hob Hanna's Roger went a creditable race, but lacked the necessary step to cope with the winner. Monarchial Lady, a handsome little chestnut mare from Straiford, was slow getting away at the beginning of each heat, but always came strong thru the stretch, which was the means of landing second money for her, she was driven by that clever young reinsma, Jinmy "For" Eason of Little Buck fame, and had the benefit of judi-cious handling. The 2.30 pace went the limit, five heats,
