Pte. Parfrey has never dreamed that any politics would be introduced into the estion from ulterior motives. Pte. Many of the women of Earlscourt have interviewed the officials at the city hall with regard to helping to secure his return for these reasons. Two or three heads of departments have also interested themselves in this case, knowing the good work he has done during the war. Considerable surprise is expressed at the objections raised at the meeting of the Great War Veterans, as they have received civic aid, which the city is only too glad to give and help the association in any way it can. Now Easy to Have There's no excuse for any woman having wrinkles now. It has been found that a simple mixture of saxolite and witch hazel has a remarkable action upon the deepest wrinkles, no matter what their nature, whether caused by worry, habitual frowning, a debilitated condition, or the ravages of Father Time. This harmless remedy, which anyone can easily make and use at home, acts both as an astringent and a tonic. The combined effect of tightening the skin and heightening its vitality is to immediately affect every line and wrinkle, keeping the cuttled smooth and firm as in youth.

To the Theatre-goers of Toronto:

We take pride and pleasure in announcing today that we have just We take pride and pleasure in announcing today that we have just completed arrangements with Mr. Lawrence Solman by which we will present for a return engagement at the ROYAL ALEXANDRA THEATRE, beginning Monday, October 15th, the Most Wonderful Play in America, "EXPERIENCE," by George V. Hobart.

Toronto theatre-goers remember the enormous success of "Experience" at the Royal Alexandra two years ago, when every seat was sold in advance for every performance, and hundreds of people were turned away unable to see the play.

Since then "Experience" has played nine months in Chicago; five months in Boston; and it has just concluded a run of five months in Philadelphia, the longest run ever known in the history of that city.

The same big company which played these record-breaking engagements now comes to Toronto. Those who were disappointed two years ago when they tried to buy

seats should place their orders well in advance this year. If you delay this time, you may have to wait still another year before you can see this time, you may have to walt still another year before you can see this wonderful play. Mail orders will now be received at the Royal Alexandra Theatre for all performances of "Experience" during the week of October 15th. Enclose proper remittance, payable to the order of the Royal Alexandra Theatre, and enclose self-addressed stamped envelope for return of tickets.

The prices for this engagement will be Evenings and Saturday Matinee 50c to \$1.50. A bargain matinee will be given Wednesday, when the best seats will be only \$1.00.

If you don't see "Experience" this time, it will be your own fault. (Signed) WILLIAM ELLIOTT, F. RAY COMSTOCK, AND MORRIS GEST (Producers of "Experience").
