CANDIDATES NOMINATED AT SAN FRANCISCO CONVENTION

HOUSE DEFEATS MOTION AIMING TO REDUCE VOTE FOR WASHINGTON POST

Majority of Twenty-Five Against King's Amendment—Borden Defends \$80,000 Appropriation—Commons Strove Vainly to Reach Prorogation Last Night.

Ottawa, Ont., June 30.—The house voted today to conclude the business of the session by a clock tonight, order to have his excellency the governor-general attend at that hour the formal ceremony of prorogation. When ten o'clock was reached, however, there remained many resolutions to be voted, and prorogation was not reached until 2:30 tomorrow afternoon, with the hope that the entire business of the session would be concluded before adjournment tonight.

Minister in the estimates to provide \$80,000 for a Canadian minister plenipotentiary at Washington, Hon. McKenzie King led the opposition in a difficult fight. He moved to reduce the amount to \$30,000, stating that this was the liberal protest against sending a minister to Washington with powers to take over the operation of a British embassy when the ambassador was absent.

The vote of \$80,000 carried on the vote of 25 to 15. Borden emphasized that that situation were daily arising which demanded that Canada have competent representation in the United States capital. During the last week, Mr. Mahoney, the last remaining member of the trade mission service in respect to the coal stage, and would have been able to do better had he had wider powers. The liberals could not claim they had no warning of the vote, an item of \$50,000 for the same purpose had passed last year.

Fielding's Objections. Fielding objected to sending a man to sit at a desk in the United States embassy, with practically nothing to do. He saw no reason for the present situation, where, when anything arose affecting Canada, a minister could go down in Ottawa.

During the afternoon and evening, a greater part of the time was spent in passing estimates of the various departments. Estimates, which were taken up ten o'clock, gave rise to a storm of criticism from the liberals. On the item, \$6,500,000 for the permanent militia force, Hon. McKenzie King moved to cut off \$100,000. This was defeated by 49 to 25. Other militia estimates passed.

Dissent Over Air Board. In the vote of \$1,850,000 for the board, Mr. King moved to reduce the total to \$850,000, the amount of civil air work, cutting off entirely the military portion.

BOMB EXPLODED IN OFFICE OF VALENCIA NEWSPAPER
Valencia, Spain, June 30.—A bomb exploded today in the offices of Diario Valencia. Splinters from the missile exploded their force on the newspaper, which was severely damaged to the building. No arrests were made.

THREE MEET DEATH IN AIRPLANE CRASH
San Francisco, June 30.—Three persons, one of them believed to be a Democratic convention delegate, were killed in an airplane accident at the Rink flying field here today.

FLOODS IN SARAGOSSA.
Saragossa, Spain, June 30.—In addition to doing great damage to crops the province of Saragossa, the torrential rains have caused floods which have reached to the top stories of numerous houses in villages throughout the province.

UNIONIST CAUCUS BEING HELD TODAY
Expect Important Announcements by Borden—House to Prorogue.
Ottawa, June 30.—(By Canadian Press.)—Despite the changed arrangements because of the miscarriage of the vote for prorogation at ten o'clock tonight, the big caucus of Unionist members of both houses takes place at 10:50 tomorrow morning as arranged. It has been intimated that at this gathering there will be a series of important announcements from Sir Robert Borden as to his plans and also to the future construction of the unionist party.

AIR MAIL SERVICE FOR THE CONTINENT

Seattle, Wash., June 30.—Official sanction for hydroairplane mail service in North America was received here today from Otto Prager, second assistant postmaster-general at Washington. Edward McGrath, superintendent of mail services in the northwest, left Seattle for Vancouver today to make arrangements with Canadian postal authorities.

LIKELY APPOINT TWO TO COMMERCE BOARD

Predict Early Action by Federal Government, So Business May Proceed.

AWAIT STATUS DECISION
Ottawa, June 30.—(By Canadian Press.)—The appointment is probable within the next few weeks of two commissioners to the board of commerce of Canada, to permit of the business of the board being carried on pending the decision of the privy council defining the exact legal status of the board of commerce legislation. The fact that the board was created by act of parliament makes it difficult for the government to abandon the board. Sir Robert Borden recently stated in the house that the orders of the board must be obeyed, and the supervision of the board's operations require a staff, for which salary cheques must bear the signatures of two commissioners of the board, in whom the act reposes all executive authority.

Require Two Members. The discussion of the resignation of the commissioners ended in the house last night without any definite announcement from the prime minister as to his provisions for the future of the board. There is some doubt that the government can legally make the board a subsidiary of the department of trade and commerce, as it is a board of inquiry, and the department of trade and commerce is a department of the government. The legislation creating the board stands until it is definitely upheld by the highest legal tribunal of the empire, and the act calls for an active board of at least two commissioners.

CARRIED THRU WINDOW ON HOOD OF MOTOR CAR
Kitchener, Ont., June 30.—(Special.)—John Hainsworth, father of Kitchener's noted hockey goal tender, was carried thru Ritz's drug store window today when he cranked his Ford truck while it was in gear. The truck stalled on Queen street just at noon, and opposite Ritz's drug store. In his haste to get away without congesting the street, he cranked his car while it was in gear, with the result that the car shot thru the drug store window. To avoid being run down by the machine Hainsworth climbed onto the radiator and rode right thru the window. He escaped injury.

RANEY INTERPRETS LAWS ON LIQUOR
Onus of Proof on Defendant if Liquor Found in Private House.
The amendment to section 58 of the Ontario temperance act, which came into force on June 4 last, is called to the attention of Ontario police magistrates in a letter written to them by Attorney-General Raney yesterday. The attorney-general interprets sections 58 and 59 with regard to the court procedure where liquor has been found in a private dwelling house, and quotes section 57 with regard to second and third offences under the act. The letter to the police magistrates, a copy of which was handed to the press, reads as follows:

"Dear Sir: In view of the gross violations of the Ontario temperance act which are being constantly reported from certain parts of the province, I desire to call the attention of magistrates generally to the amendment to section 58 of the Ontario temperance act which came into force on the 4th of June last, whereby the maximum penalty for a first offence for the having of liquor in possession otherwise than in a private dwelling house, and for the other offences covered by section 58, was increased from \$1,000 to \$2,000. The amendment to section 41 of the said act, and in addition thereto imprisonment for a term not exceeding three months, and the maximum penalty for any other offence under the act, is also increased from \$1,000 to \$2,000."

Her Letters Prove Czarina Was Dominating Personality
London, June 30.—The Manchester Guardian will tomorrow and Friday publish extracts from a series of about 150 letters written by the Russian empress to the emperor during the course of the year, 1915. These, it is asserted, were copied from the originals in the archives at Moscow. The Guardian's correspondent, who was recently in Russia, and who obtained the copies, described the general impression of the letters as that of a person desperately attacked, seeing her life and that of her country in a continuous struggle against implacable forces. There run thru the letters, besides an almost hysterical affection for the emperor, Catherine's feelings of "Rasputin," the "mystic monk" who was assassinated, hatred of the duma, and everything democratic in Russia, and wild jealousy of Grand Duke Nicholas. The letters show that the dominating personality at Tsarsko-Selo was not the emperor, but the empress. In her letters she continually laments the loss of her influence over the

HELD UP TRAIN, DESTROYED PETROL FOR THE MILITARY

Sinn Fein Continue Outrages and Railway Men Refuse to Move Trains.

BARRACKS SHATTERED
Dublin, June 30.—A freight train was held up today near Mullingar. Five carloads of petrol destined for the military were destroyed. A mixed body of police and soldiers with the usual equipment appeared at the Kingsbridge terminus of the Great Southern line today and entrained. The drivers declined to move the train, but remained at the terminus and offered themselves for every train made up. As soldiers entered each of the trains, the trainmen left it.

Today's events are considered a decisive test by the government which can similarly dislocate any terminus in South Ireland. The companies say they have been able in the provinces to obtain men to move trains with troops aboard, but this is denied by the railroaders and Sinn Fein. The railroads terminus here was tied up this morning as a result of refusal of railway men to move trains boarded by police or soldiers, causing a complete stoppage of all trains for the south.

The people of Dublin, foreseeing such a situation, had begun hoarding food, notwithstanding the efforts of the authorities to prevent hoarding. To Search for Arms. Londonderry, June 30.—The arrival of more troops here has given rise to the belief that a house-to-house search for arms is anticipated. James Gray, who was arrested in connection with the killing of James O'Keefe during the riots here, has been released on bond. James Dobbin, who was shot and thrown into the river during the rioting, died today.

Cork Barracks Shattered. Cork, June 30.—The Kink street police barracks were partly shattered by a bomb today. The explosion, however, did more damage to the barracks residence than to the barracks. The military, with armored cars, dispersed the crowd. The Wexford-Cork mail train was held up today at a small station by men, who seized the mail bags. The railwaymen at Large, Bullycrafe, Coleraine and other adjoining centres have passed a resolution to support the government by handling munitions and military traffic.

DELEGATES MAY REPRESENT CANADA

Convention Program of U. S. Labor Party in Chicago Announced.

Chicago, June 30.—The program of the convention of the Labor Party of the United States, to be held in Chicago July 11 to 13, is announced by Secretary Frank J. Esper. The first day, Sunday, will be given over to hearing addresses from various organizations. These include the Friends of Freedom for India, the Proportional Representation League, and the American Friends of the Russian Revolution. Governor Lynn J. Frazier of North Dakota is scheduled to speak in behalf of the Non-partisan League. It is regarded by Secretary Esper as very probable that the Labor party of Canada will be represented by fraternal delegates, but will not participate otherwise in the convention. Max S. Hayes of Cleveland, chairman of the National Labor party, will preside.

Nominations for president and vice-president are scheduled for Tuesday if the convention is then ready to act. A platform is also to be adopted then.

White as Successor
Ottawa, July 1.—(Special.)—At midnight this morning the house of commons needed two hours more to wind up and prorogue on the Dominion Day later in the afternoon. The cabinet will meet at 9:30 a.m., and the caucus of the Unionist party at 10:30. The best belief is that Sir Robert Borden will signify to his followers that he is resigning. But no one expects that he will resign and leave his party to adventure. It is, therefore, more than likely that there must be an understanding among the majority of the cabinet as to who is to take his place, and the best guess at this hour is that the cabinet will be ready to support Sir Thomas White for the succession.

New Train Service Follows Unifying of the C.N. and G.T.
Special Flyer, Toronto to Ottawa—Important Changes Announced.
CHANGES IN TORONTO
Ottawa, June 30.—Hon. J. D. Reid, minister of railways, today announced a number of important changes and consolidations in connection with the unification of the Canadian National and Grand Trunk Railways. An important feature is a new fast joint passenger service between Toronto and Toronto by the use of the Grand Trunk tracks between Toronto and Napanee and the Canadian National rails from Napanee to Ottawa. The new trains will leave Toronto at 12 noon and reach Ottawa at 7:15 p.m., and leave Ottawa at 8:45 p.m., reaching Toronto at 3:30 p.m. These trains will not run on Sundays. Canadian National trains Nos. 32 and 33, between Yarker and Cobourg will be discontinued. The sub-committee, except Senator Walsh, Montana, was reported solid for the administration plank, presented by Senator Glass, embodying virtually the Virginia plank's declaration for ratification without the prohibition matter. Secretary Colby was picked to carry the administration's gaid in the committee fight, with Senator Walsh as his opponent. (Continued on Page 4, Col. 2.)

PROHIBITION PLANK "SLIGHTLY WIDIST," SAY ALSO LEADERS

Only Tentative Agreement on Three Contentious Points by Sub-Committee.

BIG FIGHT IMPENDS
San Francisco, June 30.—A long and bitter platform fight tonight confronted the resolutions committee of the Democratic national convention when it assembled at 7:30 o'clock to take up the tentative platform draft of the sub-committee of nine, headed by Senator Glass (Virginia) chairman. The full committee was prepared to sit well into the night in the hope of getting the platform to the convention tomorrow afternoon and having final action taken in time for balloting on candidates Friday.

The platform battle was confined to three subjects—prohibition, the league of nations and the Irish question. Vigorous warfare on the Irish question and the league of nations was reported, endeavoring to build a situation where an administration plank would carry a majority. Administration leaders decried the plank would be regarded as a "slightly widist," such a clause criticizing vexatious and unnecessary restrictions of personal liberty in prohibition enforcement, coupled with approval of President Wilson's veto of the Volstead law.

William Jennings Bryan and others, girded for a battle to wedge in a square prohibition mandate, strong movement to keep all mention of the liquor question from the platform also was on foot. Another pitched battle impended on the issue of the administration plank, except Senator Walsh, Montana, was reported solid for the administration plank, presented by Senator Glass, embodying virtually the Virginia plank's declaration for ratification without the prohibition matter. Secretary Colby was picked to carry the administration's gaid in the committee fight, with Senator Walsh as his opponent. (Continued on Page 4, Col. 2.)

FARMERS AND LABOR TO RULE IN POLITICS

F. J. Dixon, Winnipeg, Says New Forces to Dominate Canada's Affairs.

Winnipeg, June 30.—"We believe that in the near future the Farmer-Labor forces will dominate the politics of Manitoba, and the Dominion," said F. J. Dixon, leader of the polis in the city of Winnipeg, in an interview today, which he held for the first time since he declared that he had the farmers of the province gone into the election fight as an organized force. Manitoba would have had at one time a Farmer-Labor government, Mr. Dixon said it was difficult to see where Hon. T. C. Norris would secure a working majority, also he predicted the election of government forces with the Conservative members, the "naturals."

Significance of the Vote. "The real significance," said Mr. Dixon, "of the larger Farmer-Labor vote lies in the realization of the common interest of the toilers." He said the large Labor vote in Winnipeg was due to be taken as a protest against the prosecution and imprisonment of a number of labor leaders on charges of seditious conspiracy. Mr. Dixon estimates that five Winnipeg seats would go to Labor or Socialist candidates.

POLICE CONSIDERING NEW PENSION PLAN

Debate at Dominion Convention—Would Make Work a Profession.

Moncton, N.B., June 30.—At this morning's session of the convention of the chief constables of Canada, Chief Martin Bruton, of Regina, submitted his report for the year. He advocated a pension scheme so that police work might be a profession, not a makeshift. His report was adopted. Chief Thompson, Peterboro, moved that municipalities be asked to establish a pension fund for their respective police departments, with the aid of provincial governments. Superintendent Rogers, of Toronto, suggested that the question stand over until a committee be named to take it up. This proposal was accepted, the committee to be named this evening. The consensus of opinion during the discussion was favorable to police commissions.

DEMONSTRATION FOR McADOO THE LONGEST AND LOUDEST WHEN CANDIDATES NAMED

McADOO SEEKS REFUGE IN BED
New York, June 30.—Efforts to reach Wm. G. McAdoo tonight and inform him that his name had been placed before the San Francisco convention, met with the announcement from his secretary that "it will be impossible to reach Mr. McAdoo. He has gone to bed."

Ten Names Placed Before Democratic Convention and One Left for Today—Demonstrations for Cox and Palmer—Fist Fight Over Standard of Missouri.
San Francisco, June 30.—After hearing 10 candidates placed in nomination for the presidency, the Democratic national convention, after an eight-hour session today, recessed until 11 o'clock tomorrow.

John W. Davis, ambassador to Great Britain, was the only man on the list of those for whom nominating speeches were to be made, who was not reached on the day's program. The candidates placed in nomination were Senator Owen, Okahoma; Attorney-General Palmer, Senator Hitchcock, Nebraska; Homer S. Cummings, chairman of the Democratic National Committee; William G. McAdoo, Governor Smith, New York; Governor Edgewood, New Jersey; Secretary Meredith, Missouri; Cox, Ohio, and Jas. W. Gerard, former ambassador to Germany.

The big demonstrations of the day came with the presentation of Palmer, Cox and McAdoo, although there was a spontaneous outburst with the presentation of Governor Smith. The Cox and Palmer demonstrations were fully expected and looked for, but the McAdoo nomination coming after days of uncertainty as to whether a nominating speech was to be made for him or not, added an element of interest and surprise. It was easily the loudest, longest and tumultuous one kept the convention in an uproar for a part of an hour. Dr. Buehler, of Kansas City, who was ready to place the formal nomination of the treasury in nomination, finally decided to yield to the wishes of Mr. McAdoo and not make a nominating speech for him. He simply explained the situation to the outside speakers of the shortest speeches on record, and merely announced that he placed Mr. McAdoo in nomination, fully assured that "if drafted for the service of the nation," he would not refuse the nomination.

Echoes of Wet and Dry. From time to time the convention got echoes of the wet and dry fight being waged on the outside behind closed doors, but it devoted itself wholly, so far as the organized program was concerned, with getting the nomination speeches out of the way and clearing the decks for consideration of the platform tomorrow. It was expected that all the nominating speeches would be made today and that an adjournment was taken tomorrow afternoon at 1 o'clock the convention would have a clear track to begin consideration of the platform with its sure fight on the wet and dry issue, and possibly some other plank. But after eight weary and racking hours of continuous sessions, the convention felt it had enough after (Continued on Page 2, Col. 3.)

REPORT NO CHANGE IN MANITOBA VOTE

Eight Winnipeg Seats to Hear From—Will Settle the Result.
Winnipeg, June 30.—Related returns from the constituencies tonight have made no changes whatever in the results of the political parties in the Manitoba elections, which are as follows:

Government	18
Farmer-Labor	8
Conservative	8
Liberal	6
Independents	5
Reform	2
Eight to hear from in Winnipeg.	

Depends on Winnipeg. It would seem that Winnipeg's result alone can settle the actual result. That will be in abeyance for some time yet. The Liberals continue to assert that the party is ten ahead in the summary, but they are counting optimistically. Meantime there are all sorts of conjectures of what may happen in the way of coalition—but the Norris government says nothing. This party is being strongly urged to go on until it comes to a vote of confidence in the chamber, and that seems to be the most probable course in order to solve the riddle of what will, or who will not support the Norris administration in the coming government.

Meantime tonight, all the talk is being strongly based on speculation. The final figures in the city of Winnipeg, of which there are many interpretations, but nothing in the way of official figures.

AUTHENTIC CASE OF FAITH HEALING

Ottawa Cripple-Woman Walks After Prayer by J. M. Hickson.

IN BED OVER FOUR YEARS
Ottawa, June 30.—An authentic case of healing as the result of laying on of hands and prayer by James Moore Hickson, the Church of England lay healer, has come to light. It is testified by the patient's physician and by nurses in the hospital where the healing occurred.

The person in which the healing has been effected is Miss Edith Lafontaine. She is a patient in St. Luke's Hospital. For four and a half years she has suffered from a form of paralysis which has rendered useless her body from the waist downwards. When Mr. Hickson and Rev. Canon A. W. Whalley of St. Alban's Church visited the hospital she occupied one of the wards. Mr. Hickson laid on his hands and offered the short prayer, which is his custom in his healing ministry. Canon Whalley followed and blessed the young lady.

Surprise Lecture. The next development is that the same night the nurse on duty reported that Miss Lafontaine was up and about. This morning her medical attendant, a well-known Ottawa practitioner, went to the ward to verify the report of the nurse. Miss Lafontaine walked the length of the dormitory in which she has lain so long.

The doctor who saw her walk stated she had been in a bed for four and a half years. She could not bear the weight of her body upon her limbs. Both feet were turned in. Her day night she was improved. "She walks the length of the dormitory," he said. "She has straightened out one foot, and the other is straightening out too. He added that he believed it would soon be normal as the other one had grown.

WILL GO ALL LENGTHS TO DEFEAT McADOO

San Francisco, June 30.—Seemingly in agreement that William G. McAdoo has the inside track on the Democratic presidential nomination tonight, attempts were being made within the inner circles of old-line Democratic party leaders to prevent his selection by the convention. The plan includes prominent consideration of Champ Clark, former Speaker of the house of representatives, as a candidate.

It was understood that efforts were being made to get in touch with Mr. Clark to learn if he would accept the nomination if tendered. Conference among the old-line leaders was going on actively immediately after the day's session of the convention, and they made it plain in their private expressions that they were going to any possible lengths to beat McAdoo.

QUARREL NEARLY ENDS IN FATALITY

Woman Shoots Herself in Shoulder Because Husband Refuses to Go to Show.

Angered over a quarrel with her husband, Ethel Hopson, aged 25 years, locked herself in a room of her home at 252 1/2 West Queen street at 7:15 last night and shot herself in the left shoulder. The bullet lodged in the shoulder and was removed in the emergency ward of the General Hospital. After having the wound dressed, the injured woman was able to return to her home.

Detective Thompson stated to the World that the alleged quarrel resulted over the refusal of the husband, Joseph Hopson, to go to the theatre. A .22 calibre revolver, with one empty shell, and several other loaded ones, were found on the floor by Police Constable Chapman when he entered the house. Joseph Hopson was examined at detective headquarters and then returned to his home.

Mrs. Nolan, owner of the house, stated to the police that the Hopsons had occupied the second floor of her home for two years. When she heard the report from the patrol she ran upstairs and found Joseph Hopson forcing his way into the bedroom. Mrs. Nolan followed and found Mrs. Hopson lying on the floor close by a small pool of blood. Mrs. Nolan telephoned for the police. The police arrived and balance arrived the wounded woman refused to go to the hospital, and it was only thru much difficulty that she was taken from the house to the hospital.
