## LOCAL NEWS

If the weather permits, St. Mary's Band will play on King Square this evening.

The Boston train was one hour late today.

A key found in Douglas avenue awaits an owner at the North End station.

Policeman Crawford was called on last night to extinguish a bonfire in Clarence street.

Rev. T. W. Moses, of Noron, and Rev. H. Smith Dow, of Hartland, have been registered to solemnize marriages.

James A. Belyea and Alexander Day have been reported by policemen McFarland and Finley for obstructing the sidewalks in Market street with two carts and a number of wagons.

John Allison, a boy employed with Vase & Co., was shaken up this morning in a fall in the stairs, while at work about the elevator shaft. He was taken to his home, but was sufficiently recovered to return to his work in a short space of time.

Wm. Young, son of Elmer Young, of Charlottetown, who was injured about two years ago in a boating accident, and who was operated on by a prominent Montreal doctor here a few weeks ago, was conveyed to his home from the private hospital today. He has greatly improved, and the plaster of Paris cast in which he had been placed was removed yesterday.

In honor of the anniversary of the Princes Boys' Association tomorrow a parade will be held in Lorneville. Local members of the Orange order will also participate. The men walking in the parade will be given a dinner by Mrs. Dobson, of New York, who is a visitor at the Hotel at Lorneville. The Piper's band of Charlottetown and the Lorneville Pipe and Drum Corps will provide music.

All members of the Order of King's Daughters who can assist in any way are requested to meet on Friday evening early at the guild, Prince Wm. Street. They will arrange for their chosen work, the next room in connection with the Local Women's Council, at the Dominion Exhibition in September. The first air committee will also meet at the guild on Friday evening. A large attendance is especially desirable at both meetings.

Frederick Ghaner—Frederick is likely to have a place on the theatrical circuit formed some time ago in the maritime provinces and if the negotiations which are now being carried on are successful the days of the cheap and unprofitable class of independent theatrical attractions which come down here on barnstorming trips are over. W. T. H. Fenby is carrying on the arrangements.

Break in Line-Up of St. Peter's Team

There is trouble in the St. Peter's camp and as a result two players have left the team, owing to the fact that manager Collins benched James McCormick, second baseman, after yesterday afternoon's game. The St. Peter's team is now minus both McCormick and his brother Charles, an outfielder, who left because of his brother. It is not known what will arise from this break-up, but it is said to be likely that the local fans will see a couple of strangers on the North End lineup.

Bank Clearings Once More Show a Gain

The St. John bank clearings for the week ending today were \$1,637,262, corresponding week last year \$1,631,615. This shows an increase of \$55,647 for the present week.

An Early Beginning

(Chatham World.)

One of the many interesting spectacles awaiting the observing on our streets was witnessed by passers on Water street Tuesday. A team containing a child about three years old, was standing before a clothing store, while the parents did their shopping inside. The baby clasped a square-face affectionately in its chubby arms and suckled the cork contentedly while he waited. The chief happened along, and thinking the bottle might be empty, examined it and found it half full of gin. On having their attention called to the scene the parents caused the child to fly in their rapid flight.

The following appears in this week's Royal Gazette—

W. C. H. GRIMMER, Surveyor General.

The restrictions as to shooting are practically the same as for last year, that is, no moose or caribou under three years of age, or any cow moose or caribou is allowed to be killed.

Salacia Case in Court Today

Andrew Hall Sues Donaldson—Wm. Irvine's Will in Probate

The case of Andrew Hall vs. Donaldson Bros., owners of the steamer "Salacia" was up before Mr. Justice McKeown in chambers this morning at 11 o'clock. On February 27 last, the plaintiff sustained injuries to his foot through the alleged negligence of a fellow workman, on the steamer. While unloading iron grinders from the steamer one was pushed on the foot of the plaintiff, crushing it. He is now suing for damages under the workmen's compensation act.

J. A. Barry and Dr. W. B. Wallace, K. A. speaker for Hall, and F. E. Taylor for the defendants, the plaintiff was on the stand this morning.

The case of Peter Smith vs. the City of St. John goes over until Thursday next at 11 a.m.

He gives all his accounts and debts to his son Charles; the rest of his estate he gives to his wife, Elizabeth, for life and after her death to his son Charles, but should he predecease his wife then the same to go to his daughter Annie.
