

## VISITS HOME HERE AFTER FORTY YEARS

Charles S. Griffith, Formerly of Fairville, Sees Much Gain in That Area.

Charles S. Griffith, of Chicago, who was born and educated in Fairville, is visiting the scenes of his childhood. He left here forty years ago, going to New York, then to Chicago, where he has made his home since 1880. He had been engaged in the rug business from which he retired in September, 1922. Mr. Griffith has erected a building of stores and apartments, known as the Griffith Block, costing \$65,000, also other buildings. He is visiting relatives in Fairville, Mrs. James Masson and family. Mr. Griffith says he sees many

## Women A Bundle Of Nerves

"Everything irritates me—I am a bundle of nerves, I ache all over and cannot sleep and am so dependant." This extract from a letter written from one woman to another describes the condition of many women who suffer from feminine ailments. Nothing will relieve this distressing condition so surely as Lydia E. Pinkham's Vegetable Compound, made from roots and herbs. For fifty years it has been restoring sick and ailing women of the Dominion of Canada to health and strength.

wonderful changes in Fairville and vicinity, being particularly impressed with the improvements along Manawagonish Road and in Fairville proper. As a boy he attended the Church of the Good Shepherd and was one of the choir boys during the time of Rev. T. E. Dowling's rectorship. He was a personal friend of Rev. J. C. Titcombe, who succeeded Mr. Dowling as rector. Mr. Griffith credits much of his suc-

MORNING SUBURBANS SAINT JOHN-MONCTON OFF Sunday Trains Saint John-Moncton Will not Run After Sept. 20th.

The Canadian National Railways announce that trains Nos. 137 and 138, the morning suburbs between Saint John and Moncton, will not run after Monday, Sept. 7.

It is further announced that Sunday, Sept. 20, will be the last trip of the train between Saint John and Moncton, and that they will not be run after that date for this year.

Portland, Ore., is spending \$50,000 on a forty-acre camp for tourists.

## HOG FATTENING RECORD

CHADRON, Neb., Sept. 4.—J. M. Tollman, owner of Pine Ridge ranch near here, upsets the theory that sleep is vital to acquiring weight when he shattered all records for fattening hogs at his ranch.

The hogs gained 95 pounds weight in 88 days, or fattened from an average weight of 117 pounds to 203 pounds. Tollman awakened the hogs every two hours and fed them a mixture of corn, barley and rye, he said.

"None of 'em showed the loss of sleep when I sold them," Tollman said.

## THE N. B. PROTESTANT ORPHANAGE FAIR

The annual exhibition is upon us, for the next week or so we shall probably hear of little else. This is only as it should be in regard to all community movements. One big rolling boosting wave of enthusiasm and over she goes.

Following close on this is another big event of considerable importance to the Protestants of New Brunswick. The Orphanage Fair is even more than a community event, it is a Provincial affair. The directors of the New Brunswick Protestant Orphan's Home have a deficit of about \$25,000 in their maintenance fund. A committee composed of over 150 representatives of the fraternal societies have united for the purpose of assisting them in raising this amount. With over 217,000 protestants in the province to draw on this should be easy if each will do a portion.

The responsibility of caring for the indigent and orphan children of the province is one that falls on each of us according to our means. We owe it to them to see that they get a fair deal in life. Our portion in many cases may be small but our Master saw more in the "widows mite" than in the larger contributions of that day. This is not an appeal for help in our own name or personal interest, but issued in the name of Him who hath said: "Suffer little

children to come unto Me and forbid them not." If we fail to aid in directing their childhood footsteps in His way, we are put in a large measure forbidding or at least hindering them from coming into Him.

A few persons could not make a successful exhibition. No more can a limited number put this orphanage fair over in the manner it should go. It requires your personal co-operation if only to canvass among your friends.

There are all kinds of way of assisting: Cash contributions, manufactured goods, fancy and home made goods, country produce, etc., in fact articles of all kinds acceptable. No freight to pay on River or Bay steamers.

Send for one or more Season Tickets (a good form of donation) good for admission every night and entitles holder to a chance on winning a Ford Tudor Sedan with Balloon Tires, or a Six Months Pass to the Imperial Theatre. Single Tickets \$1.00, six for \$5.00.

All persons visiting the Exhibition are invited to inspect the Car (in Machinery Hall). Those wishing to do so may secure Tickets, have cash or other suitable donations or pledges with the committee in charge.

Address Protestant Orphanage Fair Committee, P. O. Box 12, Saint John, N. B.

NOTE: Some friends of the Orphanage are running a Booth under the Grand Stand at the Exhibition, the net proceeds of which all go to the Orphanage work. Those wishing to blow themselves may do so in a good cause and be sure of getting a square deal. Best value on the grounds for your money.

"UPON FINISHING COLLEGE, where I had always been very active in football, baseball, and other campus activities, I entered my father's business, restaurants, working at least twelve hours every day with little time for recreation. After three years of constant, steady work, my health began to fade, my face became sallow and covered with pimples; I had neither pep nor ambition nor the strength and 'push' once necessary to push over the winning touchdown or run. I consulted a physician and was advised to start eating Fleischmann's Yeast at once. I followed the doctor's advice. The results that soon followed astonished me. The vitality of my college days has returned and I am wearing a smile again, although my work is as confining as ever. I am keeping fit by eating Fleischmann's Yeast daily."

R. C. Stogemeier, Jr., Indianapolis, Ind.

## Only Half-Living...?

Thousands have found fresh energy, new vitality, health and success through one simple fresh food

NOT a "cure-all," not a medicine in any sense—Fleischmann's Yeast is simply a remarkable fresh food.

The millions of tiny active yeast plants in every cake invigorate the whole system. They aid digestion—clear the skin—banish the poisons of constipation. Where cathartics give only temporary relief, yeast strengthens the intestinal muscles and makes them healthy and active. And day by day it releases new stores of energy.

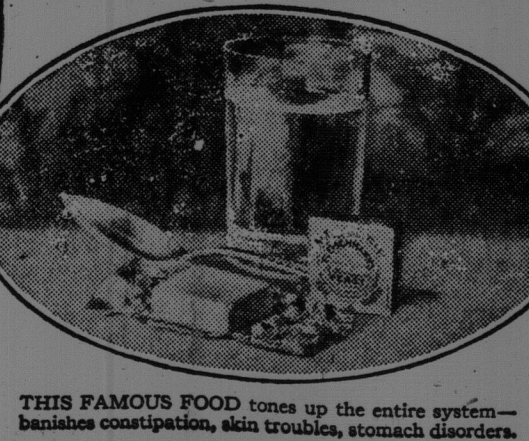

Eat two or three cakes regularly every day before meals: on crackers—in fruit juices or milk—or just plain. For constipation especially, dissolve one cake in hot water (not scalding) before breakfast and at bedtime. Buy several cakes at a time—they will keep fresh in a cool dry place for two or three days. All grocers have Fleischmann's Yeast. Start eating it today!

And let us send you a free copy of our latest booklet on Yeast for Health. Health Research Dept. 436, The Fleischmann Company, 208 Simcoe St., Toronto, Ont. FLEISCHMANN'S YEAST IS MADE IN CANADA

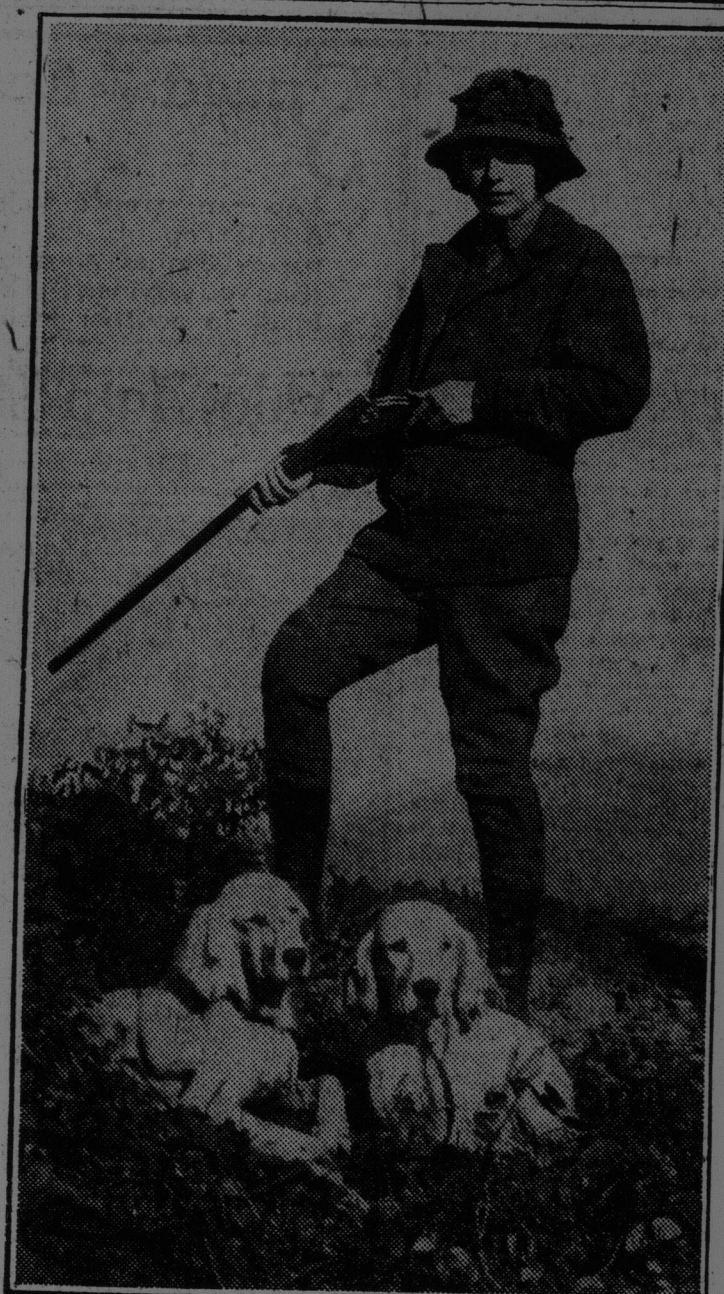

"LIKE MANY CHILDREN my little girl, five years old, was troubled with constipation. She would become languid and peevish, and seemed to lack energy even to play. As I did not want her to form the cathartic habit, I decided to feed her Fleischmann's Yeast. I gave her (and still give her) a cake a day, often in place of butter or jam. Now her health is perfect, her complexion is a joy to behold, and she is just full of energy. And I haven't once in eight months given her a laxative."

Mrs. Robert Charvat, New York City

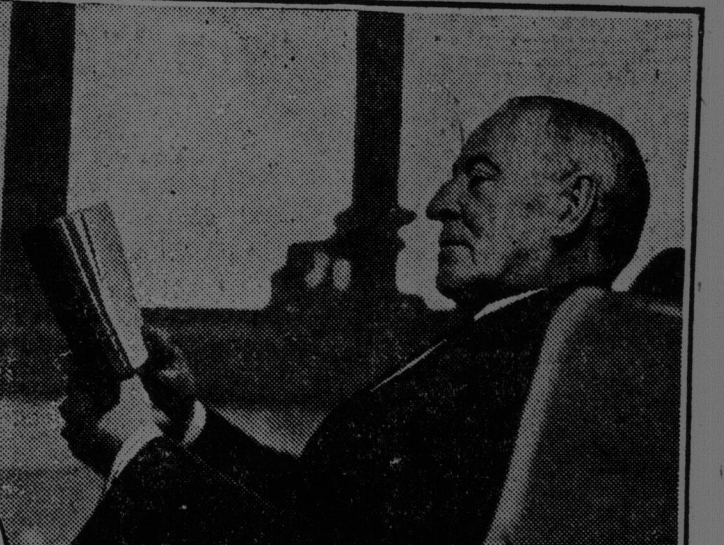

THIS FAMOUS FOOD tones up the entire system—banishes constipation, skin troubles, stomach disorders.

"I HAD SUCH SEVERE INDIGESTION that I could eat almost nothing—it was so bad that often I could not sleep at night at all. I had tried every sort of remedy, and spent a lot of money; but I had never found real relief. I had heard of the marvelous benefits from eating Fleischmann's Yeast, and I decided to find out for myself what it could do. I used it for two months. Today I can say, with immense satisfaction, that my digestion is absolutely normal, that my appetite has returned—in a word, that my health is perfect again. I owe all this to Fleischmann's Yeast, and I cannot praise it enough."

Miss E. Lapointe, Montreal, Que., Can.

"I AM A MINISTER. Under the pressing duties of a heavy Pastorate; in the winter of 1924 I began to go down hill. I was threatened with a complete nervous breakdown. One morning a brother minister strongly urged me to try Fleischmann's Yeast. I sceptically consented. I did not notice any change for ten days, but one morning I awakened to find that my constipation was not so bad as formerly; and after 16 days it had disappeared entirely. My nervousness and irritability were fast leaving me. I kept on with the faithful use of Fleischmann's Yeast. I was able once again to take up my Pastoral duties."

The Rev. Duncan P. Cameron, Detroit, Minn.

Making Marks

You'd hardly think a lad looking so bright lost his grade a year ago.

His ambitious parents felt proud of their boy, would not believe he could be smart at everything else and yet behind at school. He studied hard, but failed to grade.

The trouble was he tried, but couldn't follow the black-board instruction from poor sight—home lessons were a strain.

Lack of Glasses to correct little and big sight faults accounts for over half our backward scholars. 4 weekly payments obtain the right cure here.
