

Sunday, April 29. When the meeting opened, Mr. Jones presented a resolution as follows: Whereas in order to avoid in the future, as far as it is possible for this council to do so, the confusion and in-convenience of having dual systems of time as at present exist; and whereas the council deems it inexpedi-ent to adopt the daylight time; be it therefore TRIES TO CROSS INTO SWITZERLAND; COUNT CZERNIN ARRESTED Berlin, April 19-(Via Copenhagen)--Count Ottoker Czernin, former Austro-Hungarian foreign minister; was arrested on Wednesday by the German-Austrian authorities when he attempted to cross the Swiss frontier.

CZERNIN ARRESTED

market assembled here today with advocate of Italy's utmost claims. It we prices for country produce remaining he who signed the Treaty of Londo firm. Eggs rose in price as the result and he now holds Premiers Lloyd Geor of increased demand, fifty cents a dozen and Clemenceau to the pledges made the treaty.

will always be a menace to us. Airman Picked up by Destroyer— They're Not Yet Able to Make will always be an envious and warlike people. Their characteristics are not changed. Fifty years hence they will be what they are Start From Newfoundland-Re- today. Do not trust the appearance of
