## ASKS NUTTER TO RETURN TO CITY

Investigation of Wire Inter-  
ferences Must Go On,  
Says Utilities Head.

J. M. Trueman Reads Act and  
Decides Board Has Auth-  
ority to Proceed.

J. M. Trueman, chairman of the  
New Brunswick Board of Public  
Utilities, said today he had been con-  
sidering the matter of clearing the  
interference between the distribution  
systems of the New Brunswick Power  
Company and the City of Saint John  
and after reading the act had  
arrived at the conclusion that it be-  
stowed power on the board to proceed  
with this work.

WRITES NUTTER.

This morning he sent the following  
letter to N. E. Nutter, the electric  
expert of the Western Union Tele-  
graph Company, who has been en-  
gaged by the board as inspector on  
the work:

"Since you were in Saint John in  
connection with the interference be-  
tween the N. B. Power Co. system and  
the city hydro electric system I have  
looked over the act passed by the  
Legislature at its last session, intend-  
ed to make effective the order of this  
board. I feel there is sufficient au-  
thority for us to proceed with the in-  
vestigation under your direction, as  
inspector of this board.

"I would therefore ask you to fix  
a date for the investigation to proceed  
and to notify me when you can be  
here, and I will have both the City  
Hydro Commission and the N. B. Power  
Company informed as to the time  
and place you will meet them. The  
investigation must proceed in the in-  
terest of the public safety.

## FIRST SAILING FOR INDIA NEXT WEEK

From New York to Start  
New Service.

The steamship Jalapa of 4,386 net  
tons gross, is expected to leave Saint  
John between June 15 and 18 for  
India direct, thus inaugurating the  
Saint John-India service conducted by  
the Roosevelt Steamship Company, op-  
erators for the United States Shipping  
Board. She loaded with general  
cargo now at New York and is ex-  
pected to leave there on Saturday for  
this port where she will take on a  
large number of automobiles sent here  
from the Fort Ontario plant, for  
India markets. H. E. Kane and Co.  
are local agents of the vessel.

The Jalapa will call at Karachi,  
Bombay, Madras, Colombo and Cal-  
cutta. The Roosevelt Steamship Com-  
pany have been operating a New York-  
India service for some years. The  
vessel will be sailing from this port be-  
tween the 15th and 18th of each month.  
As it will take approximately 45 days  
for these steamers to reach their de-  
stination it is expected that between  
12 and 18 vessels will be pressed into  
this service.

## TWO NEW DIRECTORS CHOSEN AT MEETING

St. Martins Tel. Co. Declares 10  
P. C. Dividend—Considers  
Extension Suggestions.

The postponed annual meeting of the  
Saint Martins Telephone Company was  
held yesterday afternoon. The accounts  
of the year were passed and the usual  
dividend of 10 per cent. declared. A  
resolution of appreciation of the ser-  
vices of A. W. McMackin, who had  
been connected with the company as  
a director many years was adopted  
and a resolution of sympathy was or-  
dered sent to his widow.

G. C. McAvity was elected to fill  
Mr. McMackin's place on the direc-  
torate and W. H. Moran of St. Mar-  
tins was appointed to a director in place  
of Capt. Robert Carson, who resigned  
office.

The present board of directors is  
comprised of R. O'Brien, president;  
T. B. Carson, St. Martins, vice presi-  
dent; G. C. McAvity, H. P. Robinson  
and W. H. Moran.

Several suggestions for extension of  
the line were given consideration at  
the meeting.

Miss L. Buchanan, Saint John  
Student, Returning Home  
From Cambridge.

Miss Louise Buchanan, daughter of  
Mr. and Mrs. George T. Buchanan,  
340 Main street, who is in her second  
year of training as a nurse at the hos-  
pital in Cambridge, Mass., will return  
home on Monday, accompanied by a  
nurse, because of illness brought on by  
a heat stroke. Mrs. Buchanan received  
a message to this effect this morning.  
She is naturally anxious, but was re-  
assured by the telegram this morning,  
which stated that her daughter, who  
had been seriously ill, was much im-  
proved. Mr. Buchanan left for New  
Glasgow, N. S., this week and knows  
nothing as yet about his daughter's  
illness. He will be home for the week-  
end.

that as many will attend this year.

California, which place he left in his  
motor on May 2. He made stops of  
varied length at New York and Boston,  
as well as other cities on the road and  
arrived here on June 9, much pleased  
with his trip. Mr. Day is an em-  
ployee of the Edison Electrical Com-  
pany in California, will visit his sisters,  
Mrs. Robert McLaren and Mrs. Arthur  
Campbell, while in the city. He said  
yesterday that he had quite an expe-  
rience traveling when heavy storms over-  
took him and that it seemed to him  
he traveled through miles of water.

### AUTO CASES HEARD.

R. C. Muir, George Phinney and  
Arthur T. Muir, taxi drivers, appeared  
in the police court yesterday afternoon  
on reports by Robert Harris, inspector,  
that they had not taken out licenses as  
required by law. The taxi men con-  
tended they had sold their cars to ge-  
neral ones to improve the service and  
thought that the license for the old car  
was good for the new one. The magis-  
trate set the case over for a week and  
advised that in the meantime the taxi  
board meet and go over the entire situ-  
ation. Philip Muir's explanation re-  
garding a report that he had not dis-  
played his license was accepted by the  
magistrate. Myer Levine, reported for  
not having a license, did not show up.

### SAINT JOHN MEN TAKE PART.

On Monday afternoon of this week  
the corner stone of a new building for  
the Montreal Gazette newspaper was  
laid by Hon. Senator Smeaton White,  
president of the company. Among the  
records placed within the stone were  
photographs of officials of the company  
and of the newspaper. These included  
a picture of John Scott, managing edi-  
tor and a director of the Gazette, for-  
merly in newspaper work in Saint  
John. Among those at the ceremony  
of laying the corner stone was J. Louis  
Slattery of the Gazette, who also was  
formerly a newspaper man here. The  
new building is to be of five stories.

### SERVICE WAS HELD.

Union services of the Centenary, St.  
David's, St. Andrew's and Central Bap-  
tist churches began last evening in Cen-  
tenary Hall, with an earnest group of  
worshippers. Rev. Walter Small con-  
ducted the service. It had been an-  
nounced in yesterday's papers that no  
service would be held because of the  
unveiling of the memorial statue, but  
the notice was not effective in keeping  
all the people away, because of the  
marked invitation to attend given on  
the Sunday previous. Rev. Mr. Small  
had been out of the city and knew  
nothing of the reversal of the an-  
nouncement to hold the meeting. He  
gave a helpful address on "Centennial  
Power." The four churches will con-  
tinue their worship together next Wed-  
nesday evening.

## As Hiram Sees It

"Hiram," said "The  
Times" reporter to  
Mr. Hiram Horn-  
beam, "you are re-  
charged with calling  
the members of the  
Women's Institute old  
cats."  
"I didn't do so much  
thing," said Hiram. "I  
was talkin' about some  
women. I overheard  
two of 'em talkin' yis-  
terday. One o' them  
says, says she: 'Did  
you see that piece in  
the sassy collyer  
about the gown an'  
things Mrs. Tom  
Horsenut wore at the  
weddin' reception?'  
An' the other one  
says, says she: 'I did so—it's a pity  
she don't pay some o' her bills.' No,  
—I ain't got nothin' to say agin' the  
Women's Institut. If I heid Hanner  
agin' 'ud knock it out o' me mighty  
quick—yes, sir."

## MANY GATHER AT MEMORIAL SHAFT

People Show Interest in  
Floral Remembrances  
at Monument.

Inspect Tributes Placed at Sol-  
dier Memorial by Organizations  
and Individuals.

With reverent interest, streams of  
people passed along the Civic War  
Memorial in King Square this morning,  
and admired the many beautiful floral  
tributes to "Our Boys," "The Heroic  
Dead" and the more intimate inscrip-  
tions, "To Daddy and to Husband,"  
"To Brothers," all bearing testimony  
of continued thought for those who  
were dear to somebody. An old lady  
with tears in her eyes and a vice qua-  
vering with emotion, touched the arm  
of a reporter and said: "My boy's name  
is not mentioned." She was calmed  
when she was told that he was in-  
cluded though not mentioned in the  
causual wreath presented by Lieut-  
Col. George Keefe, officers and staff  
of the Saint John Fusiliers. Moving  
pictures for the Pathe Weekly were  
taken by F. McKay of Lugin's studio.

### THE FLOWERS.

Wreaths and other floral tributes  
were given as follows, those presenting  
them not always being designated be-  
cause of obscurity in names: At the  
foot of the figure of sorrow, a wreath  
from the Saint John Ambulance As-  
sociation; Saint John Red Cross, a  
cross of geraniums; Hebrew com-  
munity; G. W. V. A., West Saint John  
Branch; Major-General A. H. Mac-  
donell; Women's Society of the Church  
of the Assumption; Military District  
headquarters staff; ex-members of the  
2nd Canadian Divisional Ammunition  
Corps, placed by Lt.-Col. W. H. Har-  
rison, D.S.O., Major W. A. Harrison,  
M.C. and Lt. C. A. Noble; to the  
memory of George Henry Todd, from  
his cousins, Rev. C. T. Clark, Mrs.  
Robert Mitchell, Annie M. Todd and  
Thomas M. Todd; to Pte. Fred. A.  
Buckley, 115th Bn., from family; Saint  
John Field Comfort Association; 5th  
Saint John Company, Girl Guides;  
Garrison Sergeants' Mess, M. D. No.  
7; to Sergeant W. J. Seymour, 26th  
Batt.; Byng Boys; to Gunner J.  
Amos, 10th battery, C. F. A.; Knights  
of Columbus; to Jack B. Thompson;  
Women's Canadian Club, placed by  
Mrs. E. Atherton Smith; New Brun-  
swick Women's Institute; From Mrs.  
White and children; Daddy and  
Husband, Willie Milden; to memory  
of Kennedy Brothers, Mr. and Mrs.  
James Walter Holly and family, in  
memory of James Walter Holly, Jr.;  
to brothers Jim and Ernest, from Mary  
George, Sam and Clarence; Saint John  
Sub-Division Catholic Women's League  
to Private George Ralph.

Mrs. E. Barbour placed a lovely  
spray of lilies of the valley in mem-  
ory of her brother, Sergeant William  
S. Hare, who was killed in action Nov.  
11, 1917. Mrs. Hare Vroom placed a  
wreath for the Municipal Chapter, I.  
O. O. E. Mrs. L. P. D. Tilley for De-  
mon's Chapter and Mrs. A. W. Estey  
for the Local Council of Women.  
(See page 9).

## McKNIGHT DROPS SUIT FOR \$50,000

Former New Brunswick Took  
Action Against Governor  
Fuller of Massachusetts.

Boston papers report that a suit for  
\$50,000 brought by Senator Edwin T.  
McKnight, of Bedford, Mass., against  
Governor Alvan T. Fuller, in the Sur-  
folk County Court, has been dropped by  
Mr. McKnight. The latter, who is a  
native of Havelock, N. B., sued on the  
ground that Mr. Fuller slandered and  
libelled him during a 1920 political cam-  
paign when the defendant was candi-  
date for the Republican nomination as  
lieutenant governor. Mr. McKnight's  
counsel read the following statement  
in court:

"In view of the testimony of the de-  
fendant in this case, which is different  
from what the plaintiff interpreted his  
statements to be in the letter and the  
speech set forth in the declaration, the  
plaintiff hereby discontinues this ac-  
tion and states that the same would  
not have been brought except that the  
plaintiff interpreted the statements to  
refer to the plaintiff profiting to the ex-  
tent of from \$80,000 to \$30,000 from  
State deposits instead of the banks so  
profiting."

Mr. McKnight was associated with  
several banks referred to in the case.
