ALEX. L. L. MGHT,

ALEX. L. L. MGHT,

The Proposed was a survived to the control of the Colonies and the proposed with the control of the possession of an unscrapulous enemy, my, reputation, and the proposed in them to be disreputative and advantage and demand a large assortment of the Aver of Control of the estimate of the latest process will ensure a clearance.

April 16 18 27 APLE DRY GOODS to the care and faithful public service in the estimate of the estimate

accounts; by adverse because unexposed testimony irregularly put into the possession of an unscrapulous enemy, my reputation can now, under the protection of the Government, be undermined to any exent. I cannot, however, believe that. Her Majesty's Government will sanction my being subjected to an grievous a wrong, and I claim the protection of Her Majesty's Government as far as the wrong, is infleted by Her Majesty's Representative. My conduct in regard to matters of account has been open and most as the wrong, is inflicted by Her Mejesty's agreement to consequence of the late fire, has opened a STORE at the head of the new Steamboat Landing south side where he will keep constantly for saie FLOUR, MEAL, and PROVISIONS generally.

—ON HAND.—

100 Barrels New Verk State FLOUR, extra brands, and warranted from new wheat.

50 Bits Baltimore Howard-street Flour, new; 50 Bags coarse SAIT. 40 Boxes P. V. SOAP, 10 Boxes Syanish (lagrar, 20 do Constitute) of the set terray and obscidions; and when I respect to the control of the control of the depths of the education question, the conclusion becomes irresistible to my mind, that my adverse position is not the result of mere inadvertency.

Oct. 14, 18

As the wrong, is inflicted by Her Mejesty's matter to matter to make the matter to make the matters of account nas been open and most scrupulously correct; and when I trace the obloquy to which I have been subjected to the irregular official praceedings received in the irregular official praceedings re tion, the conclusion becomes irresistible to my mind, that my ndverse position is not the mere inadverteacy. I have yet to be convinced that it is a principle of the British Government that he who dares to interfere, even legitimately and officially, with the educational question, in any way tending to the amelioration of the system as THE undermentioned Lots of Crown Lands will be offered for sale by Public Auction on Tuesday the second day of December next, at noon, by the respective Deputies, at their Offices agreeably to the Regulations of 11th May 1843, and no sale on credit will be made to any person who et to the Crown for previous purchases.

Not to interfere with the right to cut Timber or other Lumber under Licences applied for previous to the application for the purchase of the Land.)

(No person is allowed to hold more than one hundred acres payable by instalments)

CHARLOTTE
By Deputy Jack, at Saint Andrews.

100 acres, lot B, block I, Road from Woodstock to Oak Bay, Stephen Smith; credit to be allowed for 30s, paid.

YORK Materials and so the seven legitimately and officially, with the educational question, in any way tending to the amelioration of the system as regards the comparatively poor, is deemed worthy of being degrated and wronged at the expense even of the sacred and eternal principles of justice so fully enshrined in and so truly protective of monarchy."

Late Sec'y of the Prov. Board of Education.

Fredericton, N. B., 9th Dec. 1856.

IMPORTANT

TO EVERYBODY.

FOR the last three years, I have been engaged in a business known only to anyself, and, comparatively, for others, whom I have been engaged in a business known only to anyself, and, comparatively for others, whom I have been engaged in a business known only to anyself, and, comparatively for others, whom I have been engaged in a business known only to anyself, and, comparatively for others.

FOR the last three years. I have been engaged in a lusive neas known only to anyself, and, comparatively, few others, whom I have instructed for the un of 200 dollars per annuar; and having made arrangements to go to Borrope in the Wall of 1897 to engage in the same besides, and willing to give full instruction; in the art to any person in the United States or Canadas, who will remit me the sum of I, dollar. I am induced, from the wall to have been faced of the first three been favored with, and the many thankful acknowledgments I have received from those whom I have not to the same but this breiness, which is easily pleasant; and very profitable, at a small cost. There is possiblely No Humburg in the matter. References of the best class can begiven, as regards its clearacter, and I can refer to persons whom I have mattered, who will testify that they are making from 5 to 15 dollars per day at the same. It is a besiness in which wither ladies or gentlemen can engage, and will perfect case unke a very handsome income. Several ladies in various parts of New York State, Pennsylvan and Maryland, whom I have instructed, ire now making from 3 to six dollars per quality is general business, and but a few sellings is required to start it. Comprising a great variety of styles, entirely new and never before offered in this market our sweet, and the second of the seco
