

ABOUT A CAT.—The tenacity of feline life is proverbial. A cat once seen is seldom forgotten. We heard of a case where a cat was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before.

THE CAT FOUND.—A black cat was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before.

THE CAT FOUND.—A black cat was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before.

THE CAT FOUND.—A black cat was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before.

THE CAT FOUND.—A black cat was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before.

THE CAT FOUND.—A black cat was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before. It was a black cat, and it was found in a room where it had never been before.
