reciprocial trade between tries, but I don't think i her knees and beg for it, but rather stand 47th of February, when, as Drs. Stockton and Alward came in fo ousing reception at the City hall, Carup like men and treat each other as leton, last evening. The meeting was a splendid one, full of loyalty and conservation. Mr. George McLeod was chosen chairman, and in accepting that position he explained his stand in the present campaign. He had hitherto been a Liberal, and it might be asked why had he changed? A question had now come up, which over-rode all party lines. A policy had been formulated by the Liberal sin which he could not conals. We in New England want your

cross-eyed. It would close every carri-age factory in the Dominion, also your cur. The scheme of unrestricted recip-rocity had not even met with the appro-val of these great Liberal leaders of former days, Hon. Alex. Mackenzie and Hon. Edward Blake. Yours. The would close every carri-shoe factories, stove foundries etc. In fact you would cease to be a manufac-turing people at once. Yours. From this it is close that the interview. From this it is close that the interview.

It was to the interest of every elec J. King Kelley a Voter

That annexation sheet and echo iman, the Globe, in last evening's the jailor and the prisoner was in thecus sue referring to a public meeting held dy of such jailor, and the jailor held h eat applause, and in an eloquent ad-ess he pointed out the importance of

the interests of Messrs. Rankine and dress he pointed out the importance of the present questions. They involved more than the fate of the government; they involved the integrity of the intion. He gave many and just arguments in favor of the principles of the Liberal-Conservative party, while he deprecated in the strongest terms the policy of the Liberal leaders. He showed wherein the resources of Canada lay, and how they are being developed. The fu-ture of Canada is bright, and aided by the C. P. R., St. John bids fair to advance its own business interests rapidly. The set out of the strongest terms the ontable to answer, he termed "a young aspirant without a vote." When argu-ment fails slander is generally resorted to. Mr; Kelley could not have greater hom-while I feel that it is quit

its own business interests rapidly. Dr. Stockton made an able address in Dr. Stockton made an able address in which he referred humorously to the ex-communication of J. V. Ellis from the liberal party by J. E. B. McCready. He memerked on the efforts of the liberal J. King Kelley has a vote in Springfield, J. King Kelley has a vote in Springfield,
