

Carleton County Council.

(Continued from last week.)

Mr. Gillmor moved, seconded by Mr. Connolly,

Whereas, the Parish of Aberdeen, in the County of Carleton, is possessed of only one road machine, and for better service to the public of said machine it is considered advisable to constitute said parish into one highway division,

Be it ordained by the County Council of the Municipality of Carleton as follows:

1. That a by-law of this Council dividing said parish into a highway division be and is hereby repealed.

2. That the Council deem it advisable to allow the parish of Aberdeen to remain as one division, and such parish is hereby constituted as one highway division.

here was considerable discussion; the councillors for Aberdeen not agreeing. Mr. Gillmor urged that the object of the resolution was generally popular in his parish; Mr. Lamont presented a different view. It was pointed out by the warden that it would be illegal to reduce the number of commissioners appointed, five, to one.

The resolution was lost. Gillmor, Saunders Moores voting yea.

On motion of Mr. Purinton, seconded by Mr. Forrest,

Resolved, That \$134 be assessed on Richmond to pay for land damage and expense of laying out of road, to be paid, when collected, as follows: for land damage to Thos. Tobin \$30; Samuel Shepard \$50; Wm. Head \$41; for summoning jury and using first warrant \$5.

Cronkhite moved, seconded by Caldwell:—

Whereas a resolution was passed at a special meeting of the council in the month of August last to build a gaol in the Town of Woodstock; and

Whereas contracts were entered into and expenses were incurred in connection with the said contracts; and whereas application was made to the Supreme Court and a decision granted by said court, and which, if continued, would place a heavy burden on the ratepayers of this county; therefore

Resolved, That we rescind the said resolution passed at said special meeting to build a gaol in the said town, and that we pay all just dues and reasonable expenses which have been incurred in connection with the said gaol contract, and also that this council carry out the recommendation of the grand jury as was presented at the June meeting of this council to repair the present gaol.

Saunders raised the point of order: First—That it was not in order for a motion to rescind to be made by members who voted in the minority of original resolution.

Second—That the resolution did not set forth facts in its statements as to the decision of the Supreme Court, and also that the Council could not authorize money to be paid in which action they were restrained by the injunction. The Warden ruled the resolution out.
