Washington Forecast. Washington, D. C., May 12.—Forecast for New England—Fair and warmer Thursday; Friday, increasing cloudiness, light westerly winds.

I. R. C. Pay Car Here. The I. R. C. pay car, with Paymaster Burrill in charge, was welcomed at the Union depot yesterday. The car came in as a special at eleven o'clock in the morning and left with the seven o'clock train in the evening.

Little Girl Injured. The little three-year-old daughter of Mrs. R. A. Christie of Victoria street, was knocked down and cut about the head, last evening near her home by a passing cyclist. The child's injuries were not serious.

Medical Society Meeting. The St. John Medical Society held its regular monthly meeting at the home of Dr. Rowley and Dr. Ruddick. The latter dealt with quarantine. The annual meeting of the society will be held on May 26.

Miss Mabel Will. The death took place last evening at six o'clock of Miss Mabel Will, daughter of Mr. Robert Will, by her decease came at the early age of sixteen years, and was due to acute tuberculosis. The young lady was a pupil of grade 10 at the High School.

Monthly Meetings. The monthly meetings of the board of governors of the Boys' Industrial Home and of the board of directors of the St. John Protestant Orphan's Home were held in the Mayor's office yesterday afternoon. Reports were presented and routine business was transacted.

Nine Members of Council. In the report of the St. John Law Society meeting, held Tuesday afternoon, which appeared in yesterday's Standard, the name of Mr. J. M. Price was inadvertently omitted from the list of barristers elected to the Council. Mr. Price was one of the nine lawyers chosen as members of the Council.

Commissioners Leave. A. P. Barnhill and J. Keefe, Canadian commissioners in connection with the St. John River dispute, accompanied by their counsel, Hon. H. A. McKeown, left yesterday morning for Fort Kent and will be in the United States commissioners in an inspection of the places on the river about which there is difference of opinion. After this inspection arrangements will be made for the taking of evidence.

Will Hold Reception. At a meeting of the St. Vincent's Alumni held in the St. Vincent de Paul rooms last evening, it was decided to hold a reception for the graduating class in the York Theatre Assembly rooms, on the evening of June 20th. Business and refreshment committees were appointed, and an entertainment committee was also appointed, consisting of Miss Florence O'Regan and Miss Sweeney. The president of the society, Miss Elizabeth McInerney, presided.

Remains Brought Here. The remains of Jack Francis, who died in Dorchester penitentiary while serving a three-year term to which he was sentenced for taking \$400 from the person of a man named Albert Lounsbury in a Sheffield street house, were brought to the city on last evening's Pacific Express. Chief Clark, on whose assurance of the payment of the expenses the body was brought here, saw it into an undertaker's hands at the train. In the ordinary course of events, Francis would have been buried at Dorchester, as the prison regulations require no more. His mother, Amelia Francis, guaranteed the payment of the expenses, however, and made a deposit with the Chief.

Will Give Him A Banquet. The Liberal party in New Brunswick will tender a banquet to Hon. William Pugsley on his return from the session at Ottawa. At a meeting of his local supporters, held last evening, it was decided to appoint a committee to make the arrangements for the banquet, to secure a place for it, and to ascertain the time which will be convenient for the Minister to appear. Of this committee, Mr. D. J. Purdy was made chairman, and Mr. J. M. Owen was made secretary-treasurer. A certain number of representative Liberals will be invited to be present from the various quarters of the province.

A Sad Disappointment. It will be a sad disappointment for Rev. Louis M. Duval, a Baptist missionary, and native of this city, who has been doing missionary work in Africa for some years, when he arrives from Africa, with the expectation of seeing his fifteen months' old son, Louis Edward Hillyer, for the first time. His young son died on Monday last at the residence of his grandmother, Mrs. Rachel Spragg, 61 Sherbrooke street.

The mother of the child was Miss Alice Spragg, formerly a teacher in one of the city schools. While visiting in South Africa, a few years ago she met and married Rev. Mr. Duval. Her husband had to remain at his missionary work, while Mrs. Duval returned to the city. Shortly after her return her young son was born, and lived in delicate health for the past fifteen months.

The body of the young child will not be buried for a few days, as it is expected that his father will arrive at any hour. You can afford to make a special trip for your new outfit, suit by coming down town to C. E. Pigeon. The difference in price will warrant the difference in price.

DIVIDEND OF EIGHT PER CENT. PAID

The annual meeting of the Saint John Real Estate Company, Limited, was held in the offices of the company, Canada Life building, yesterday afternoon, at four o'clock, at which the officers' reports were received and adopted.

The managing director's report showed that this company was incorporated under an act of the Legislative Assembly in March, 1906, with a capital stock of \$40,000, which has been increased by an amending act past last session to \$100,000.

The steady growth of the company's business has been most gratifying to the directors and shareholders. The comparative increase in the property holdings of the company, as shown by the directors' report, is as follows: Properties owned during the first year of the company's business from April 1st, 1907, to April 1st, 1907—12 properties with fourteen houses and forty-six tenants.

From first of April, 1907 to first of April, 1908—17 properties with twenty-seven houses and seventy-two tenants.

From first of May, 1908 to first of May, 1909—26 properties with thirty-eight houses and one hundred and four tenants.

The shareholders re-elected the following directors for the ensuing year: R. G. Haley, J. M. Queen, F. Neil Brodie, Robert Maxwell and L. P. D. Tilley.

HIS REWARD FOR HELPING HIS COUSIN

Michael Mercouriou, a native of the classic land whose shores are washed by the blue Aegean, but who is now a resident in this city, would have sung last evening, had he known it, that lately popular song "That's Gratitude."

The story told by Michael to a Standard reporter figured himself as one of those who have lived to learn the bitterness of mis-spent philanthropy. He had been betrayed, he said, by a cousin of his, one Alexandros Angelides, who was rewarding him for his kindness by bringing a law suit against him. "I guess we be in p'lice court tomorrow," said Michael, speaking of the affair.

It appeared that Alexandros has been running a cigar and tobacco store next to Michael's fruit store on Mill street. Because Aleck is Mike's cousin, the latter had purchased the stock for the tobacco store, and had set his relative up in trade a few months ago.

Yesterday, however, Alexandros fore-saw the tobacco trade and the shop was not open. When Michael called him after some difficulty, the wayward cousin and reproached him for inattention to business, Michael calmly protested that "he not know nothing about any cigar store."

MR. ROBERTSON WILL SUE CITY FOR DAMAGES

As the result of an incident which occurred on Tuesday morning, Henry W. Robertson, barrister of this city, has instructed Messrs. Price, McInerney and Trueman to start proceedings in an action for damages against the city for false imprisonment.

Mr. Robertson is understood, was accustomed to paying his taxes within the time allotted for taking the 5 per cent. discount, but his 1908 tax bill was not paid until Tuesday morning, through an oversight on his part.

About 11 o'clock Tuesday morning Constable George A. Blair entered Mr. Robertson's office and demanded payment of his tax bill.

Mr. Robertson informed him that the bill had been paid, but the constable, thinking he was merely being put off, decided to place the barrister under arrest. Mr. Robertson was escorted to the police station, where he was lodged in jail. Soon after the constable's report had been received at the Chamberlain's office, the error was once noticed and instructions were given to have Mr. Robertson released, after an hour's confinement in jail.

Mr. Robertson became very indignant over the matter and decided at once to bring an action for damages against the city for false imprisonment.

HOLE STOVE IN BOW OF THE CANADA

Yesterday morning's high wind caused trouble among the yachts anchored off the R. K. Y. C. boat house at Millidgeville. The situation appeared dangerous at one time for all the boats, but the Canada, owned by Messrs. Heans, was the only one to suffer.

About 10 o'clock in the morning the Canada broke from her buoy and was driven hard ashore near Mr. T. T. Lantaul's boat house. A hole was stove in the yacht's bow, but beyond that, no injury was apparent from the outside. The Canada had been held by two anchors, and was also attached to an old mill buoy. The buoy caused the trouble, a shackle on it giving way.

Six of the sail yachts have already reached the water, and four of the motor boats have also returned to their element.

NEWS AGENTS 'FIRED' WHEN EXPOSED

The C. P. R. has recently felt its necessary to make a large number of changes among the news agents on board its trains. These removals followed a trip over a large part of the system by the railway inspectors, who are said to have found many peculiarities. The agents are supplied with the wares which they sell by the company itself and the agents make their money by commissions on the sales.

WHICH WOULD YOU PREFER

Hot Burning Feet or a pair of LOW SHOES?

Here's a simple little question without any argument on our part of whether you prefer to suffer from hot, burning feet or pay us a trifling sum for a nice, cool, easy low shoe. Low Shoes are so cool and they allow such a delightful freedom around the ankle. Men are gradually awakening to the fact that for real summer comfort low shoes are the correct thing. Every material, many shapes.
