Harry Dever Is Ready For Game

Manager of St. Peter's Intermediate Ball Team Wants to Play Team in South End

"We are open to play any team in the South End Intermediate League on any grounds that can be suitably arranged for, previous to the game," was the statement made by Harry Dever, manager of the St. Peter's Intermediate team that withdrew from the South End League a few weeks ago on account of a dispute with the Royals of that league. Mr. Dever also stated that his team has not disbanded on account of what happened on the South End diamond, but is yet an organization who are willing to play the sportsman's game to the end of the season. He would like to, if it

could be arranged, to play the Royals a series of three games any time in the near future to decide which is the better team in a sporting game. Mr. Dever said that while playing in the South End league his team was not given the chance to play the colored boys and he feels sure that if arrangements can be made, his team can make things hot for them in a real lively game of baseball some night this week. It is arranged that the Sugar refinery team of the South End League are to play St. Peter's Intermediate team on the St. Peter's grounds and a good game should be forthcoming as the Sugar team has one of the strongest lineups of intermediate players. Mr. Dever also stated that he would try and get a game on with the All-Stars, who have taken the St. Peter's place on the South End schedule and who have been making a wonderful showing in that league. If this game can be played on the South End diamond no doubt the South End grounds will be alive with numberless baseball enthusiasts who have been attending the games there when the All-Stars play according to schedule.

Rentforth Tennis Club Victorious

Return Match Played on Drury Cove Club Courts Saturday.

The players of the Rentforth Tennis Club vindicated themselves last Saturday, when in the return tournament with the Drury Cove Tennis Club on the Drury Cove Courts, they captured six events to the Cove players three. Glorious weather, and a numerous and enthusiastic gallery, made the tournament thoroughly enjoyable one. While the play was not as close as that of the previous meet at Rentforth, a number of sets were stubbornly contested with the victory in doubt till the very last. Notwithstanding the fact that his Rentforth players led them by three events in the early hours of the evening, following which an adjournment was made to the "Cooper Shed" where a barn dance was held.

Premier Murray In Office 25 Years

Sworn in as Head of Nova Scotia on July 18, 1896—Occasion to be Honored.

Halifax, July 17.—Today, July 18, Hon. George H. Murray will have been premier of Nova Scotia for 25 years, a record unparalleled in the British Empire. Mr. Murray was called upon to form an administration upon the resignation of Hon. W. S. Fleming, on July 18, 1896, when Mr. Fleming resigned to become minister of finance in the Laurier cabinet.
There has been much speculation in political circles as to whether Mr. Murray would carry on after holding the post for a quarter of a century, or whether he would retire, and if he retired, publicly at least, but recently the general feeling has been that he will not resign for some time anyway.
At the recent session of the legislature, when the premier was absent at Batt Creek, Mich., sanatorium, an annuity of \$5,000 was passed unanimously, to be paid to Mr. Murray when the premier retired after being premier for 25 years. This means that he may retire any time after Monday and draw the annuity. On Wednesday next at 4 p.m. a reception is to be tendered him in the Legislative Council Chamber of the Provincial Building, at which the resolution passed at the session will be formally tendered him.
It is expected that many prominent men will attend the reception, and are expected to Mr. Fleming, who preceded Mr. Murray in office. It is also expected that Mr. Murray may at least make some announcement which may tell directly or indirectly his plans for the immediate future.

SPECIAL PAPER TO TELL WORLD OF THE WEDDING

"Honeymoon Express" Tells Tales on Newly Married Couple in N. Y.

CROWD LINED UP WAITING FOR THEM

Hotel Lobby Filled With Expectant Crowd When Bride and Groom Arrived.

New York, July 16.—Lots of people get their names in the paper when they marry, but to date Mr. and Mrs. Frank P. Biddow of Jacksonville, Fla., who arrived yesterday at the Hotel Martiniere, are the only couple who ever had a special newspaper created and published solely because of their marriage.
Mr. Biddow is business manager of the Florida Metropolis of Jacksonville, Fla., and his bride, until last Saturday, was Miss Maude Manzey of that city. With the scenery peculiar to honeymoon couples they kept the fact that New York was their destination an absolute secret. At last they thought they did.

Secret Was Out.
However, when the two boarded the Clyde liner *Comanche* they were followed aboard by all the newsboys in Jacksonville. The boys had only one paper to sell on board. That was the first and only edition of the Honeymoon Express, a complete four page paper, with full details, pictures and life histories of Mr. and Mrs. Biddow. The staff of the Florida Metropolis had thoughtfully gotten it out for the benefit of the bride and groom. It was an interesting voyage.

Yesterday when the couple reached their hotel they found a broad smile which stretched from one end of the lobby to the other waiting for them. The Honeymoon Express was on sale at the hotel newsstand.

To build up my system I used Ferronase. This combination can't be beaten. They made me well." Your case may also be bad, but Catarrhose will do for you what it did for Mr. Webb. Two months' treatment, \$1.00; small size, 50c. All dealers, or the Catarrhose Co., Montreal.

Alberta Votes Today

Edmonton, July 17.—With the count ended, it remains now only for Alberta tomorrow to render its decision and to choose out of 158 candidates the sixty-one who will comprise the fifth legislature of this province. The list of starters include Liberals, Conservatives, United Farmers, Labor and Independents, but since only the Liberals and Farmers have sufficient candidates to make possible a majority for them in the legislature, there are three possible results of tomorrow's polling.

It costs us a huge sum to give you purer Ice Cream

To make our ice cream super-pure costs us an enormous sum each year. But we consider it money well spent because it protects your health and the health of your children. We are the only manufacturers using the costly new "Heathmade Carbonated" process in manufacturing ice cream in this locality. But this process insures an ice cream that we KNOW is super-pure.

Purity Ice Cream

If you examined ice cream under a microscope you would find that it is full of tiny bubbles. In ordinary ice cream these bubbles are full of air—the common air we breathe, never quite pure. We make our ice cream in a sterile atmosphere, germ proof and 100 times purer than air. It is pure. It is healthy. It is safe.

Not only purest but best

Our ice cream is not only purest but it is also best. The carbonating brings out the delicate fragrance of the flavors, the sweetness of the fruits, the smoothness of the rich cream. When you buy ice cream insist on our CARBONATED ICE CREAM because it is best.
