Stock, He Says - Further Issue of Capital Restricted.

Ottawa, Feb. 24. The commons rail-y committee after a lively sitting to-y, voted to limit the C. N. R.'s capital ek to \$77,000,000 unless parliament es its consent to a further amount. The onslaught on the Canadian North-came upon an application for a time tension for construction of some of its es and was led by R. B. Bennett, of gary, and W. F. Nickle, of Kingston. The renewal was warmly criticized en it was found the company did not ind to proceed with the work until pt the money.

ha to proceed when ot the money. Why do you come here asking for re-rals when you do not intend to build once?" asked the Hon. Frank Coch-

t is easier to get a renewal than a charter," said the company's coun-

charter, said the company's counB. Bennett declared there was too ich water in the C. N. R. stock, and it parliament should put on restrictions. He moved that the capital stock not increased beyond \$77,000,000, the sent total. This carried.
t was brought out in the discussion at \$7,000,000 of new stock issued last by was given as security for the \$15,-000 subsidy. For the company, it is imed that this was paid-up stock.

ill Inquire Into Georgian Bay Scheme-Given Free Hand to Hire Experts and a Staff.

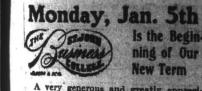

Ottawa, Feb. 25-It is understood that names of the men appointed as a al commission to investigate the com-reial possibilities of the Georgian Bay al will be announced in a day or so e men selected for the position are Mayor Sanford Evans, of Winnipes, irman, and Col. F. S. Meighen and ward Gonfer, of Montreal. Their main task will be to determine ether or not the commercial advant-s of the proposed waterway will war-it the expenditure of approximately 5,000,000 on the undertaking. They

t the expenditure of approximately 5,000,000 on the undertaking. They 1 have power to employ a clerical staff t to summon witnesses, transportation erts, etc. The commissioners will erts, etc. The commissioners will e without pay beyond their neces-r expenses. It is probable that their t will not be completed until next r and parliament will not have the assary data before the next session to perly determine whether or not the al should be gone ahead with.

bre using a new tin-lined sauce with water, adding a lump and some potato peelings; then put in the stove and let it boil for a few rs. When this is finished, wash it i soap and water. After this there ager of paisoning
