It is a disgrace to this Province that ever for vagrant or law-breaking youth, \$800. the jail and the poor house being the only substitutes. Such institutions are furniture were burned or destroyed. greatly needed-institutions where attendance would be obligatory, educaan institution of this kind have failed, Carleton County. This, with the geneto send mere boys to jail with hardened criminals or decline to punish them for offences. The Province has assumed the burden of providing for the educaness and crime if not trained in habits

sibility of Gen. Grant's seeking re-elec tion for a third term. The N. Y. Her-Gen. Grant, as usual, was silent. The probability is that he never thought of Then he did not deny that he had such claim. Some say that the Customs officaspirations, or say that he would not uccer then got after him, on account of his cept another nomination, but followed his usual custom of wa ting and watching. When he saw that people were familiarizing themselves with the idea, getting used to such a departure from the established customs of the country, he doubtless resolved to accept office known to ask for anything or refuse anything, be it a cigar, a horse, a house woodstock. He was detected in the ac About 9 o'clock likely that he will begin on a new sysabout condemning the idea, and have declined to discuss it. But the time is rapidly approaching when the question will become one of practical politics, were intoxicated the act with which he was attentively listened to by a large audience, and several clergyand many politicians are declaring is charged was committed.

themselves with regard to it. Harper's NAVIGATION OF THE UPPER ST. JOHN.

t anks was passed at the conclusion. Weekly, one of the ablest and most The water in the upper St. John is now would be rent asunder, and its most powerful journals would unite in opposition. The proposition of a third term would be an issue greater and more immediate than any that are now contemplated; and since it has been suggested, silence is an unpardonable policy. The friends of the Administration owe to it their most emphatic expression of opinion. Plain speech is their imperative duty. It is not enough that friendship for the President should assume that he cannot con-

This is a significant declaration, as but a recognized interpreter of pubsition. The Bangor Whig, with which we have been disposed to quarrel for running too tamely in the rats of its party and supporting too undeviatingly the measures of its leaders, fully endorses the position taken by Harper's, and this is as significant in its way as is the declaration of Harper's. The third-term principle, if it be insisted upon by the office-holders and forced on them office-holders and forced on the maring convention, will surely divide the party so effectually as to ensure its defeat. It may be supposed that this propers the first may be supposed that the party so effectually as to ensure its defeat. It may be supposed that the party so effectually as to ensure its defeat. It may be supposed that the party so effectually as to ensure its defeat. It may be supposed that the party so effectually as to ensure its defeat. It may be supposed that the party so effect union is absolutely essential to the retention of power than at any other time.

A new Odd Fellows Lodge is to be started this evening in Hallifax.

A convention of those interested in Sabbath School Vok. Arrangements have been made so that delegates from this city will be former mistress, while standing, such that the rope around his neck former mistress, while standing as the mother of several of his children. The work is the declaration of Harper's. It is former mistress, while standing the party will be present and took a share of the storics, and the meeting adjourned until the 7th of September.

many of our people are suffering from colds, we call attention to Ayen's Cherry Pectoral as a sure cure not only for coughs and colds, but all affections of the longs and throat. Having used it in our family for many years, we can speak from personal knowledge of its efficiency. There may be other remedies that are good, but in all our experience this has proved to be by far the best. It is pleasant to take, and should be kept at command, by every family, as a protection against a class of complaints which seem harmless in the beginning, but become afflicting and dangerous if neglected.—
