### DISTRICT AND GENERAL

The Salvation Army is reconstructing a seven-story building in New York with \$30,000 obtained by salvaging waste paper.

It is stated that the Department of Immigration is arranging to bring 50,000 Russian refugees now in Constantinople to Canada.

George Grainger, of Dutton, had both legs broken by a falling tree while working in the woods on the farm of Charles Ashmore, Dunwich.

The Clydesdale stallion, Sip Archie, owned by James Dickie, Campbellton, won first for Canadian bred stallion and reserve champion at London Fair.

The public schools of Lambeth, Delaware, Mount Brydges and Melbourn will hold a joint field day and athletic meet in Melbourn on September 28.

While Mr. and Mrs. Will Morningstar and family, of South Dawn, were attending London Fair, dogs got at their sheep and killed two and wounded seventeen.

The question of raising automobile license fees has not been considered by the provincial government, according to a statement made by Hon. Geo. Henry, minister of highways.

The onion growers of Jeanette's Creek are realizing good returns from their crop. Every farmer has from 10 to 12 acres, and from the prices paid about \$300 will be realized from each acre.

There will be a splendid crop of potatoes in Canada this season, if nothing happens, according to a well-known grower of that township. The recent rains have done inestimable good, and there is now every prospect of a splendid yield.

County councils are liable for damage sustained by motorists and others on detoured roads while the main highway is closed under construction or repair, according to the decision of County Solicitor A. W. Marquis, presented to the Lincoln county council last week.

William Farrow, a farmer residing on the Ridge road about a mile west of Duart, was found dead in a field. He had gone to the field to fork beans and while thus engaged had evidently been stricken suddenly, and falling face downward had been smothered to death in the loose sand.

James O'Mara, a young lad lodged in the Wallacetown jail to await transfer to the Industrial School, escaped by crawling through the furnace. He commandeered an automobile, drove to Port Lambton, bailed out a lanky boat and rowed across the St. Clair River to Michigan, where he was recaptured.

Stepping on the wheel of a corn-cutting machine, Jimmy Lowe, aged 18 months, son of Charles Lowe, farmer, of Vars, Russell county, was drawn into the blower and cut to pieces. Parts of the body were taken by the carrier and dumped into the silo. A farm hand in the silo had his first intimation of the terrible accident when he was horrified to see an infant's leg drop beside him.

The financial meeting of the Ridge-town District of the Methodist Church was held in Dutton last week. Rev. A. S. Whitehall, chairman of the district, presided. In addition to the usual business, various communications were read with regard to church union. These were instructions for the disposing of church property and the readjustment of any funds that may be on hand at the time of union.

In the Duart section a rough estimate of the damage done by the recent frosts shows that fully 50 per cent. of the tobacco crop has been destroyed or partly damaged. A small per centage of the acreage had been cut and hung up. Some farmers saved their fields by keeping smudge fires going during the frosty nights. The crop both west and north of Duart suffered severely, entire fields being cut to the ground. This is especially noticeable about Highgate and Ridgetown.

Railways are not going to be allowed to put the bulk of blame for level crossing fatalities on reckless driving of motorists and refuse to take any further safety precautions themselves if the Ontario Motor League can change existing conditions. At a meeting of the Board of Directors of the O. M. L. held last week, it was unanimously decided to appear before the Dominion Railway Board and ask that a survey be made of every one of the thousands of level crossings existing in the province with the object of rendering them safer for highway travel.

Every town, village and hamlet blessed with a name ought to have suitable signs, bearing its name and greetings, tacked up somewhere so that passing strangers can easily see and read them.—Perth Courier.

Say it with printing.

### THE FAIR IS ON

Glencoe fall fair opened yesterday, with every indication of its being a pronounced success. Secretary McKellar informs us that the list of entries in the various exhibits has never been as large and includes the names of many who had never exhibited before at this fair.

The fair this year is in charge of the following officers and directors: President, H. McTaggart; vice-presidents—D. W. Gillies, A. B. McDonald; secretary-treasurer, R. W. McKellar; directors—Dan McKellar, J. D. McKellar, John C. Gillies, Mungo Leitch, John Eddison, J. McRae, J. L. Tait, George Walker, F. I. Abbott, D. N. Munroe, N. McKellar, Peter Duncan, J. A. McLaughlin, Charles Willey, T. Henderson, Miss Winnie McDonald, Mrs. J. L. Tait, Mrs. W. A. Currie, Miss Charlotte Craig, Miss Annie Walker and Mrs. Heley.

### LEITCH—MCALPINE

A charming wedding took place at three o'clock on Wednesday afternoon, September 19th, at the home of Mr. and Mrs. Donald J. McAlpine, Ekfrid, when their only daughter, Jessie Isabel, was united in marriage to Archibald Leitch, only son of Donald W. Leitch and of the late Mrs. W. Leitch. The ceremony was performed by Rev. D. G. Paton before an embankment of autumn leaves and gladoli, and the wedding music was played by Miss Betty Grant.

The bride was given in marriage by her father, and looked lovely in a gown of white georgette with tulle veil caught in wreath of orange blossoms. She carried a shower bouquet of Ophelia roses and valley lilies, and wore a part of her grandmother's bridal wreath of sixty years ago. Following the ceremony, the guests, numbering about forty, were ushered into the dining-room, where the mother received with the bride, and a sumptuous wedding dinner was served. The groom's gift to the bride was a rope of Oriental pearls, and to the pianist a silver bar pin set with white sapphires. After congratulatory and hearty good wishes had been extended, the happy young couple left on the 6.05 train for Toronto and Niagara Falls, the bride travelling in a navy blue pelmet suit with hat to match. On their return they will reside on the groom's farm in Ekfrid.

### BOWLING NOTES

A local tournament of Scotch doubles was played on Wednesday last week, when 24 rinks entered. Prizes were awarded as follows: 1. C. E. Davidson and P. E. Lumley; 2. J. Wilson and Mac. M. McAlpine; 3. R. E. C. McDonald and Bruce McAlpine; 4. John Hayter and A. B. McDonald. The two last-named pairs came out tie, with a score of 2, plus 5, and drew lots, with the above result.

W. D. Moss, James Poole, J. D. Brown and Dr. Saxton participated in a tournament at Wemyss and Angus McMaster and Bert Walterworth at Dutton last Wednesday, with good results. James Poole and C. E. Davidson succeeded in winning the Charlton trophy by defeating E. Mayhew and John Hayter on Monday evening. This makes three wins for the above team. Evidently these bowlers are star players.

### NEWBURY CIVIC HOLIDAY

Newbury, Sept. 24.—Civic holiday, observed on the 19th inst., all in all was perhaps the best day's celebration held here since the historic and glorious old boys' reunion.

That there is nothing like competition to make success was clearly proven by the splendid manner in which the Children's Welfare League took up the gauntlet and out of their own pockets and by the donations of many large-hearted and liberal citizens were enabled to give the kiddies the best forenoon of fun, frolic and finance ever. Some forty dollars were handed out to the winners of the various events, besides a consolation gift to each and every loser.

In the afternoon the committee in charge of that department put on three splendid games of ball. The first, between Newbury and Mount Brydges, was won by the home team, 6-2, Pring, of London, doing stellar hurling. The second game went 1-0 in favor of Inwood, Walkers losing out on the break of the game. The play-off, to use a slang expression, was a "humdinger"; Inwood winning out 3-2.

### WINNERS AT STRATHROY

Horses owned in Glencoe and vicinity were prominent among the prize winners at Strathroy fair last week. In the general purpose class D. N. Munroe took first for three-year-old, in the carriage class D. N. Munroe took second for brood mare and first for foal. In the roadster class D. N. Munroe took second for foal; Orville Quick first, McLean Bros. second and D. K. McRae third for single roadster; D. N. Munroe first for span and first in special for foal. For single turnout (horse, harness, etc.) McLean Bros. took first, Orville Quick second and D. K. McRae third.

### LIBRARY NOTES

The children's story hour will be resumed on Saturday afternoons from 2 to 3 o'clock, commencing on Saturday, October 6th. All children from the town and vicinity are invited to attend the weekly story hour. It is doubtful if the people of the town and country realize how much information and enjoyment they can get from the public library. Teachers in rural schools not boasting a school library will find it well worth a year's subscription to obtain material for reading and telling to their pupils, and also books to keep themselves posted on current topics.

All the bulletins issued by the Department of Agriculture are sent to the library. These deal with many subjects—farm crops, stock raising and feeding, home canning and other sciences of the household. There are numerous other pamphlets on various subjects. The Canadian Mother's Book is worthy of note. If you want information on any subject apply to the librarian for material.

The fiction section of the library is exceptionally good, the selection of juvenile books splendid, the magazines well chosen and interesting, and a quiet hour of reading assured you at any time in the reading room. Patronize your library well during the winter months. It is sure to be a source of enjoyment to you.

### HOLLANDERS IN LAMBTON

The two outstanding problems of farming today are first, marketing of farm produce, and second, farm labor. The former problem is one that is gradually being solved by commodity organization, standardizing of grades, improvement in quality and proper distribution of the product. The work that has been accomplished results in no increased price to the consumer but gives the producer a fairer share of the price paid by the consuming public. Present indications point to the fact that in the near future such marketing organizations will apply to all farm produce.

To secure sufficient farm labor to work our farms to capacity will always be a difficult problem. When farm conditions are such that a more substantial remuneration can be secured for the labor spent in producing, then, and only then, will labor be attracted to our farms.

The local county agricultural office has been successful in securing a number of Holland farm laborers this season. These men have proven themselves to be honest, industrious, capable and desirable citizens.

Twenty-eight Hollanders have been secured altogether. Twenty-one of these men are at present engaged in farm work. The agricultural representative, W. P. Macdonald, informs us that he is now in touch with a source of Holland laborers, married men, who are anxious to come to Canada. These men can be secured at a reasonable wage but require yearly employment and to be supplied with a house, the use of a garden, the privilege to keep a few hens and probably a cow. This is a first-class chance for Lambton farmers to secure experienced farm labor and is one of which full advantage should be taken.—Petrolia Advertiser-Topic.

### POLICE COURT

Convictions were had during the past week before Police Magistrate Morrison for infractions of the Motor Vehicles Act as follows:—

For speeding Sydney Jackson, London, \$5; E. P. Wobor, London, \$5; Joseph Carder, Windsor, \$10; Dr. Hagemier, Kitchener, \$10; J. G. Winnett, London, \$5; Fred Wood, Chatham, \$5; Geo. Ambridge, Ottawa, \$10; Wm. G. Ambridge, Ottawa, \$10; L. Wilson, Ecorse, Michigan, \$5; C. H. Pilgrim, Hamilton, \$5; John O'Neill, Detroit, \$5; R. C. Coleman, London, \$5; Nelson Root, Windsor, \$5; E. M. Dallery, Chatham, \$10; F. Bergeron, Detroit, \$5; Eugene DuFour, Windsor, \$5; J. F. Perkins, Chatham, \$7; J. K. McGlynn, St. Thomas, \$10; S. H. Sadler, Essex, \$10.

A case against McKellar & Doherty, of Chatham, was dismissed, the accused being given the benefit of a doubt which arose in the case.

### DEMAND BANK PROBE

At a meeting of Western Ontario Home Bank depositors in London on Saturday night, at which over two hundred were present, immediate action was urged on the part of the Government. Two resolutions were passed, the first demanding a complete probe of the Home Bank affairs, and that every chartered bank in Canada be inspected by Government auditors.

The second resolution urged that the clause giving the Provincial and Federal Governments priority rights over the rest of the depositors be eliminated.

### NEWBURY CALL SUSTAINED

A special meeting of the London Presbytery was held on Tuesday of last week, when a call from Wardsville and Newbury in favor of Rev. H. Bollingbroke, of Inverkip, was sustained.

In order that the Presbytery could have an understanding, the clerk was instructed to notify all congregations in the Presbytery to send in a statement of the deed under which their property is held. There are two kinds of deeds, one under which the property is held by the Presbyterian Church of Canada, and the other under which the congregation itself holds the title.

### G. H. S. FIELD DAY

The high school preliminary field day exercises held at the fair grounds on Monday afternoon were a great success. Much enthusiasm was displayed in the various events. The results are as follows:

### Boys' Events

The shot putting contest was won by Merwyn Webster, who threw the 12-lb. weight a distance of 37 feet. In the 100-yard dash for seniors W. Trestant came first, with K. Webster a close second.

Alex. Munro and Murray Webster carried off the honors in high jumping for senior boys.  
 In the junior features the stars were John Allan, George McCallum, Lloyd Lucas, R. McDonald, G. McDonald and W. Moss.

### HUNTING RATS, SHOOT SELF

Wardsville, Sept. 24.—William Randall, a well-known farmer of this district, was found dead in his barnyard today with a gaping gunshot wound in his forehead. Coroner Dr. Woods was called, and, after conducting due inquiries, deemed an inquest unnecessary. It is believed that the shooting was accidental, as Mr. Randall had been in comparatively good health, and had told his wife before the shooting that he intended to get rid of some rats which had been a source of annoyance in the barn. A few minutes later a shot was heard and the body of the farmer was found lying against the barbed-wire fence, with the gun nearby.

Gaining an entrance through the boiler room, an unknown person or persons made away with about \$400 worth of cased butter from the plant of the Strathroy Creamery Company Saturday night.
