CHRISTMAS NOW!

It seems a little premature,
perhaps, to commence talking
Christmas and Christmas Boxes,
but already the little ones are
asking "how many days" and
"how many Sundays till Christ-
mas," and the elder ones are
beginning to make known
their Christmas wants. For this
we are now quite prepared---
in fact have already set to one
side a few very choice things
selected by some of our patrons.
We show a stock never before
equalled in this city for its
variety and appropriateness.

THE COMPOUND INVESTMENT PLAN

Combines all the advantages of insurance and
investment, and under it the Company guaran-
tees after the policy has existed for ten years if
the insured so desires, to loan to him the annual
premiums as they mature, thus enabling him to
continue the policy in force to the end of the
investment period. Should death occur after the
tenth year the full face of the policy will
be paid, and loan (if any) cancelled.
