RUPTURE

Ladies' and Children's Cases A SPECIALTY.

TORONTO, 102 GLADSTONE AVE.
DEAR SIR.—The truss you made for my double rupture gives me great satisfaction, it holds me perfectly all the time and with comfort; all others, and I tried many, were failures. I shall have much pleasure in recommending all sufferers to apply to you and not waste their time and money experimenting elsewhere.
Yours gratefully, MRS. E. CROFT.
