## Travellers' Cheques

The Travellers' Cheques issued by this Bank are a very convenient form in which to provide funds when travelling. They are issued in denominations of

\$10    \$20    \$50    \$100    \$200

and the exact amount payable in the principal countries of the world is shown on the face of each cheque.

These cheques may be used to pay Hotels, Railway and Steamship Companies, Ticket and Tourist Agencies and leading merchants, etc. Each purchaser of these cheques is provided with a list of the Bank's principal paying agents and correspondents throughout the world. They are issued by every branch of the Bank.

### You Can Buy an Otis-Fensom Freight Elevator for as little as

# \$70

Some people seem to think that any kind of an Otis-Fensom freight elevator is a costly affair, running into hundreds of dollars.

This isn't so, by any means.

Very likely the best freight equipment for your purpose would cost very little. Yet the saving it will effect will be proportionately as great as the most expensive equipment would afford you.

We are looking for business men who have warehouses, stores, factories, etc., and who do not know the vital economy of a freight elevator.

We want to send such men a copy of our book---

### "Freight Elevators and Their Uses"

Send for your copy to-day. It explains the value of freight elevators in general, and the peculiarly successful features of Otis-Fensom freight elevators in particular.

Send me your book

# Landmarks of Typewriter Progress

Such are all the recent developments of the

## Remington

VISIBLE MODELS  
10 and 11

Among these developments are:

**The Built-in Decimal Tabulator**—which makes the decimal tabulating mechanism an integral part of the typewriter.

**The Tabulator Set Key**—which eliminates all hand setting of the tabulator stops.

**The Column Selector**—which determines, by the stroke of a single key, the exact point on each line where the writing is to begin.

**The Adding and Subtracting Remington** (Wahl Mechanism)—which combines in one typewriter, and in one operation, the functions of the writing machine and the adding machine.

Every one of these new developments is an evidence of the perpetual leadership of the Remington Typewriter. Illustrated booklet descriptive of all recent Remington improvements, sent on request.
