

MY MAGIC MIRROR

Mirrored reflections show the flaws
 but never the person inside.
 I have a magic mirror-
 if I hold it up to a person I can see
 if they are worthy.
 For some reason I feel
 like I am the only one on earth
 with this magic mirror.
 Everyone else on earth carries a mirror
 that is simply paint upon glass-
 reflections of physical things.
 Perhaps they're too scared to use their magic mirror-
 scared of the person they may see inside themselves.
 Oh God how I wish they would use their magic mirrors!
 This mirror reveals the magic
 inside each and every one of us

If
 only
 the
 world
 would
 use
 its
 magic
 mirror

THROUGH A GLASS DARKLY

They're lucky
 Up at the S.U.B.
 At this time of year.
 Best damn view
 Of the whole river valley -
 Northside woods
 Afire
 And clouds
 Making shadow animals
 On the burning bush.
 Nashwaak meets Saint John
 And the twinkle
 Even comes this far -
 To the lounge,
 To the double window wall,
 All 341 panes
 Of the grimeiest glass
 on campus.
