Grenfell Association Secretary To Address Students on Labrador Work

The work of mercy done by the Grenfell Association on the Labrador coast will be the subject of a talk, Sunday, March 20, by Miss Ethyl Graham, Canadian Secretary of the Association.

Miss Graham, whose home is in Ottawa, is making a lecture tour of the Maritimes during which she will address several service clubs in the Halifax area. Similar talks have been well received in American universities and many Medical and Education students have spent a year in Labrador in connection with this work, and have rendered wonderful service to the missions on the coast.

The Grenfell Association, which looks after the medical welfare of all Labrador, is supported by Grenfell Societies in Canada, the U.S. and the U.K. The association maintains three hospitals and two auxiliary medical stations as well as a hospital ship which travels the coast during the summer months. Though primarily medical, the association also brings spiritual comfort to those on the Coast and works in close co-operation with the Moravian Missions.

Miss Graham's talk will take place Sunday, March 20 at 3 p.m., in Room 6 of the Geology Building.

Annual Banquet Is Held By Dal COTC

Last week the COTC Contingent of Dalhousie held their annual banquet, a custom discontinued since the last war. The last banquet had been held in 1939 and it was a formal affair but in inaugurating the banquet this year it was decided to make it an informal dinner. There were over 90 members of the Contingent present for the evening's festivities.

Maj. Clint Harvey was the master of ceremonies and present as the guest of honor was the Resident Staff Officer, Major Cameron. Foo Grant proposed a toast to the King. In the addresses to the officer-candidates it was mentioned that the committee was trying to secure space on the campus that could be converted into club rooms. Next year's banquet will be formal and it has been suggested that a dance be held after the dinner.

The banquet was held last Monday, March 7 in the Navy League Merchant Seaman's Hostel on Hollis Street. Those in charge of the dinner and entertainment were Gordon Coles, King's; Foo Grant, Dal and Bob MacDougal, Dal.

Loucks Elected President CCUF

A meeting of the Dalhousie CCUF Club was held Wednesday, March 9, for the purpose of electing officers for the coming year. At this meeting George Loucks was chosen as next year's president.

George Loucks, who is in Law School, was an active member of the CCUF group at Queens University, where he received his B.A. The election of other officers was postponed until next year.

Faculty Loses To Chess Club

The Dalhousie Chess Club eked out a close win over a faculty team in a seven man match Friday evening. The faculty played host to the students in their recreation quarters above the gymnasium. Thirteen games were played, seven victories for the chess club as against six for their hosts. Quick wins by Don Betts, Bob Jeffrey and Benny Goodridge gave the undergrads an early lead, which the professors overcame in a series of double victories by C. H. Mercer and J. Doull. Two more check-mates by L. M. Read and M. O. Morgan put the faculty ahead six to five. However, as the tourney drew to a close Don Cross and Rug Pritchard won the two deciding games that gave the Chess Club the match.

JUNIOR PROM DEBT TO BE PAID BY COUNCIL

Connolly Shield Won By Pi Bet's

The much coveted Connolly Shield was awarded Munro Day to the Pi Beta Phi Fraternity for their presentation of "Legend for Camille".

This award is given each year to the society or fraternity which presents the best one-act play during an annual competition. Commenting upon the plays Professor Benet, the adjudicator, said "Of the six, four were of a quality to give competition any year." He also said that the Pi Beta Phi entry, "Legend for Camille", had all-round development, with no one character built up. The winning play was directed by Lloyd Soper.

The award for the best actress went to Edith Hills, who played the part of Edith in "Five to Five-Thirty", presented by Alpha Gamma Delta.

Frank Flemming received the award for the best actor for his interpretation of the Convict in "The Bishop's Candlesticks", presented by the Newman Club.

Council Votes Loan To Cover Deficit Of Junior Prom; To Be Repaid From Future Profit

The Student Council rallied to the support of the debt-ridden Junior class and voted to loan them sufficient funds to pay their outstanding debt of approximately \$100.00, incurred by this year's Junior Prom. Further assistance was rendered by the Council with their decision to allow the Junior class sufficient time to pay the loan. The loan will be paid from profits accrued by the Junior class from such future activities such as bridges and dances. The final meeting of the outgoing Council is expected to be held some time this week.

Munro Day Committee Extends Thanks To All

The Munro Day Committee sincerely thank all those who worked so hard and gave so much of their time and effort for Munro Day.

I, myself, would like to express my appreciation to all those, off stage and on, who presented one of the best Munro days in years.

Yours truly,
Arthur Hartling

Incoming Council
The recently elected Student Council for the 1949-'50 term held its first meeting, in accordance with the constitution, one week after elections. Bernal Sawyer, runner-up for the office of president of the Student Council, was chosen member-at-large. The incoming Council also appointed next year's members of the awards committee, who will carry on the work started by this year's committee on a new awards system.

The appointment of other new committees was deferred until the results of the special election were known. This election was occasioned by the fact that Bob Wilson, Commerce student, was unable to represent Arts and Science.
