After you've earned your officer's commission on the Regular Officer Training Plan (ROTP), you'll have the chance to do exciting, challenging things. Like taking charge of a highly trained submarine crew on important undersea exercises. Your ROTP training prepares you with advanced technical and managerial skills to fulfil leadership roles and to achieve personal satisfaction in many worthwhile tasks. You'll be a career officer in Canada's Armed Forces.

You might wonder how BROTHER BOCK came into being...
We at Formosa Spring did, and this is the story...

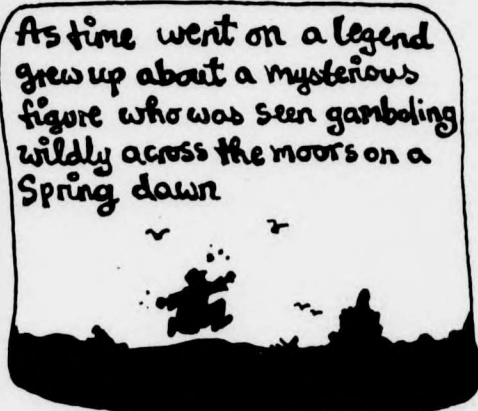

There was a time many years ago when the name BROTHER BOCK was unheard of..... yet the spirit of BROTHER BOCK existed even then

People knew that Spring spoke of the rebirth of the Earth

And they celebrated it's arrival with varied and wonderful brews

As time went on a legend grew up about a mysterious figure who was seen gamboling wildly across the moors on a Spring dawn

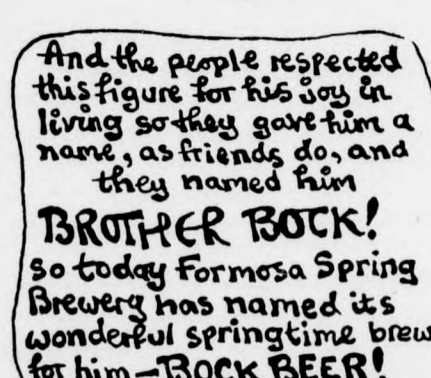

A figure who was always present at the tasting of the new beers

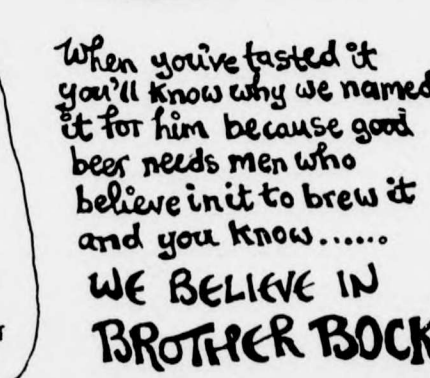

And whispered sweet nothings in young maidens ears

A man who felt and lived with Nature's blessings

And the people respected this figure for his joy in living so they gave him a name, as friends do, and they named him BROTHER BOCK! so today Formosa Spring Brewery has named it's wonderful springtime brew for him - BOCK BEER!

When you've tasted it you'll know why we named it for him because good beer needs men who believe in it to brew it and you know..... WE BELIEVE IN BROTHER BOCK!
