Ottawa, Ont., December 27, 1923.

Dear Arthur,

Many thanks for your kind letter of congratulations on Kent which arrived just as I was about to take the train for a short tour in the Province of Quebec. Kent was really a remarkable victory when one considers the campaign waged against us of race fry, conscription, promises etc., and, of course, I am highly delighted with the result.

You are certainly putting forth every effort to have a successful banquet on the 11th, and I am sure you will.

With every good wish for 1924,

Yours sincerely,

Arthur R. Ford, Esquire,
