

Ottawa, 31st Jan., 1907.

SIR,—

I enclose copy of a communication from Agent Grant, in which you will observe the Assiniboine Indians have asked permission to hold similar sports to those held in July, 1906, in regard to which you were fully advised by letter of 5th September of that year.

It is understood, however, that the Indians took advantage of the permission given, and it is not considered advisable to accede to their request to hold similar sports this year.

Be good enough to advise Agent Grant accordingly.

Your obedient servant,

L. L. [Signature]
Secretary.

The Indian Commissioner,

Winnipeg, Man.
