TO WHOM IT MAY CONCERN

D.57409 Pte Paul Emile Brisson, R 72e R was my dvr during the campaign in Italy when I commanded the R 326k.

Pte. Brisson always carried out duties assigned to him in a satisfactory manner. His character was good and he had no criminal tendencies.

Pte Brisson was a quiet, reserved soldier and to my knowledge had a ~~clean~~ clean MCM 6

This soldier did, however, appear to be mental in some respects and occasionally became moody in his reactions.
