

(11) We want 200 acres for each member of the Indian people and a title for same. These lands will be chosen from our Indian reserves and old villages of which we shall give you a list of.

(12) We want the government to give our children a better chance when they come of the school.

(13) We want a friend and a start if the province will do the fair thing by us and give us a start out of the revenue she is getting out of our country, we would be able to do something.

(14) We want ^{you} to specially reserve for our use the ~~oolichan~~^{ach} & dog salmon in the rivers of Skingome Inlet & Knight's Inlet & Kimpkish; this is where we get our Indian food for all our people. We want Knight's Inlet flats & River to be reserved for us from mountain to mountain, each of the La-gull (Kwanakenth) agency people want this old fishing station there, as it has been their custom. *

(15) We want personal property and privileges of a British Subject.
