## WHY MUTUAL POLICIES ARE EASY TO SELL

**FIRST:** Because of the co-operative and democratic principle on which the Company is founded: The Mutual Life Assurance Company of Canada is a company consisting of policy holders maintained by policy holders, exclusively for policy holders.

**SECOND:** Because the purpose for which the Company was established is now generally understood: The Company since its establishment in 1869 has consistently followed one aim—that of furnishing the largest amount of protection for the least possible outlay.

**THIRD:** Because the company's day-by-day activities advertise it: The Mutual of Canada since its organization has paid to policy-holders or their beneficiaries or holds as a trust to guarantee future payments, over sixty millions of dollars.
