

**Y**OU may have all the books you require for your studies this term but there are such items as letter paper, pens, ink or other general stationery, and the question of quality is one to be considered. Then, again, it may be you require a purse, a shopping bag, or some other nicknack for your own use or for a present for a friend. There is a vast assortment of books, bibles, games, presents, and stationery sundries at the
