

Cheese and Butter.

Makers of these articles, in many instances, do not pay the necessary attention to the quality of the Salt they use. Some people think that "Salt is Salt," and it does not matter where it comes from or who makes it. This is a great mistake, for it is essential that to produce the best Butter or Cheese nothing but the purest Salt should be used. The number of prizes obtained by users of—

COLEMAN'S OR RICE'S

Dairy Salt

at the various exhibitions is conclusive proof that these brands of Salt stand unrivalled.

GENTLEMEN,—Having used your machine now for twenty months, I take much pleasure in recommending it to anyone in need of such. I can also state with the utmost confidence that if the machine is kept properly cleaned, there is no possible chance of any accident, except through carelessness. The light is of the best, very cheap, and no smell in the house; therefore, in conclusion, can only say I am perfectly satisfied.
Yours respectfully,
J. L. McGUIRE.
