GOSSIP.

Mr. W. Agnew, Langton, Ont., has imported from Scotland a yearling Clydesdale stallion, bred by Mr. James E. Brownlee, East Whiteburn. He was got by Mr. Brownlee's own horse, Keir M. (9926), and his dam was Lady Stanley III. (13369), by Lothian Duke (5782), and descended from the famous Prince of Wales-mare, Lady Stanley, which Mr. Brownlee bought at the Dunmore sale in Glasgow market in 1881. To this race belonged the fine filly, Hansel, with which he gained first prize at the H. and A. S. Stirling, in the same year.

The raising of high-class beef cattle has not been a noted branch of agriculture in the eastern part of Maine State, but a nice start has been made by Hopkins Bros., Durham Stock Farm, of Fort Fairfield, inasmuch as they have a nucleus of what promises to become a notable Shorthorn herd. At present their herd consists of ten registered cows and heifers, headed by the registered bull, Rattler. Some of these had their origin in Canada, and it is the intention of the firm to make a personal importation from Britain before very long.

F. J. Gallanough, V.S., Thornhill, Ont., writes: "I have been very successful at the fairs this fall with my road mare, Wilkey Belle, being awarded nine first prizes at five fairs, amounting to \$114, as follows: At Toronto—Silver medal by Exhibition Association, and sweepstakes of \$25 by the Canadian Horse Breeders' Association, for best mare of any age. At Newmarket—1st for single roadster, 1st (special) for best gentleman's roadster, and 1st (special) for best gentleman's turnout. At Markham—1st for single roadster in a class of 10; 1st (special) for best gentleman's roadster. At Weston—1st for single roadster. Wilkey Belle, 5 years old, was sired by Wilnot, by Wilton, he by George Wilkes; dam by Little Hamilton."

AN INTERCOLLEGIATE LIVE STOCK ASSOCIATION ORGANIZED.

At a meeting called at Chicago, November 1, by Professor John A. Craig, of Iowa, to arrange for an intercollegiate live-stock judging contest, to be held at Chicago during the International Live Stock Exposition, an organization was effected. It was decided to hold such a contest, and tentative rules were adopted governing such contest. Prof. Plumb, of Indiana, was elected President; Prof. Hunt, of Ohio, Vice-President; and Prof. Mumford, of Michigan, Secretary and Treasurer. The Executive Committee to consist of Profs. Plumb, Mumford, Craig and Kennedy.

MORE CLYDESDALES FOR CANADA.

Messrs. Dalgety Bros., London, Canada, have recently purchased from Mr. Geo. Bean, and shipped, two useful Clydesdale stallions, named respectively Rising Prince (10868) and Royal King (10276). Rising Prince was bred by Mr. John Kerr, Collenman, and is own brother to the fine filly which gained first prize at Kilmarnock some years ago. His sire was the Cawdor cup champion, Prince Alexander (8899), and his dam the noted breeding mare, Norah of Stracathro (3143). Royal King is an extra well-bred horse, got by the prize horse, Mount Royal (8899), and his dam was the well-known prize mare, Golden Queen (12071), whose dam, Queen of the Lyons (6967), was cup-winner at Aberdeen. These horses are not likely to disappoint their new owners. Mr. Jas. Picken, Torrs, Kirkcudbright, has recently sold Raterpayer (10422) to Mr. Neil Smith, Brampton, Ont. This horse was foal in 1896, and got by the dual Cawdor cup champion, Prince of Carruchan (8151), while his dam was by a son of Macgregor, and his grandam by Flashwood. He was bred by Mr. Muir, Barwhannay, Whauphill, and has a long pedigree, his ancestry being all bred for size, color and weight.—*Scottish Farmer.*
