SHINGWAUK BIBLICAL CHART

DIVIDED INTO

SIXTY BLOCKS OF 100 YEARS EACH.

The enclosed is a specimen block representing the century commencing 1500 years B.C. The chart is to be printed on paper in six strips, each strip containing the events of a thousand years. These strips together with the heading will be rolled together and sent by mail to any one sending us an order for them; and when received, should be neatly pasted side by side on to a large board or sheet of card board, with the heading of the chart along the top, and then be hung up on the wall.

The chart when completed will be 34 by 39 inches in size. The events in the four first columns (B.C.) are collected entirely from Scripture, and the remaining columns contain the history of the Christian Church since the time of Christ.

Considerable labour has been incurred in the compilation and publishing of the chart, it will be sold for the benefit of the Shingwauk Home at 50 cents per copy, mailed. Perhaps some Sunday Schools will order one copy each to hang up in their School,

while others may require one for each class.

ASK YOUR DRUGGIST FOR CALLENDER'S ORALINE AND FAVOURITE COMPOUND DENTI-FRICES, which for cleansing and preserving the TEETH, hardening the GUMS, and purify. ing the BREATH, has no equal. After more than thirty years practical experience as a Dentist, and having made the subject of dentifrices a special study, Mr. Callender has prepared a mouth wash, and a Compound Dentifrice and Mouth Wash which from their superior excellence have gained a reputation of the highest character. At a meeting of the Ontario Dental Association, held at Toronto, July 25, 1877, the following resolution was adopted -" Moved by Mr. Chittenden of Hamilton, and seconded by Mr. J. A. Troutman of Toronto, Having examined and used the Favorite Compound Dentifrices prepared by Mr. Callender, of this city, and believing them to fully meet all the claims for them in their medicinal cleansing and disinfecting properties, and having placed them before us for criticism, we therefore approve and recommend these preparations for general use."

Many certificates might be added, but our space will not admit of more than the following :- From DR. JOHN H. CASTLE, Pastor of Jarvis Street Baptist Church Toronto.

"We have used Dr. Callender's Oraline Compound Dentifrices in the family, and find them at once, pleasant and effective. I unhesitatingly recommend them for the. two-fold purpose of cleansing, and so preserving the teeth, and at the same time leaving a most agreeable taste in the month." Prepared by F. G. CALLENDER, Toronto:
