

THE CALL OF THE NORTH

Do you know of the many advantages that New Ontario, with its Millions of Fertile Acres, offers to the prospective settler? Do you know that these rich agricultural lands, obtainable free and at a nominal cost, are already producing grain and vegetables second to none in the world?

For literature descriptive to this great territory, and for information as to terms, homestead regulations, settlers rates, etc., write to

Heart-of-Oak

The mushroom grows up over night, but it wilts with the rising sun.

It takes decades to bring the oak from the acorn, but the oak breasts every gale that blows.

For nearly a third of a century the North American Life has driven its roots deep into the bed-rock of financial stability.

To-day its financial position is impregnable; it is heart-of-oak.

The North American Life is a safe Company in which to insure.
