

The new Royal

The Herald of Better Service

IN the arena of "Big Business" has appeared a new steel-brained champion, the Master-Model of the Royal—the machine with the rapid-fire action; the typewriter that fires letters as an automatic gun spits bullets!

Unless you are "Royalised," you are paying the price of the Royal without knowing it—besides that of your old-style machine—in the higher cost of your business letters.

*Built for "Big Business" and its
Great Army of Expert Operators.*

This master-machine does the work of several typewriters in *one*—it writes, types cards and bills! The one machine does it *all*—without any "special" attachments.

Get the facts!

Send for the "Royal man" and ask for a **DEMONSTRATION**. Investigate the new machine that takes the "grind" out of typewriting. Or write us direct for our new brochure, "**BETTER SERVICE**," and book of facts on Touch Typing—with a handsome Color-Photograph of the new *Royal Master-Model 10*, sent free to typewriter users. "Write now—right now!"
