Speaking of this movement, Admir

1 Sir G. King-Hall said that tempernce in the navy is making progress all

along the line, but there is still room

for much improvement. He condemn

the practice of giving out grog and said 50 per cent. of the men would

give it up if some small addition to

heir pay were substituted. He hopes

ome first lord of the future will take

the matter with wisdom and bold-

ess. It would mean adding only an-

ther \$300,000 to the pay of the men bring about the reform, which

ould lead to an increase in efficiency

In the Indian army the progress of

officers back from India, about 16

er cent, of the British soldiers there

#### **Northcliffe Flounting Rivals** In Exciting Newspaper War

Lord Northcliffe carried the newspaper war, which began in London with the reduction of the Times' price to 2 cents, to a further stage accountant's certificate, showing that the circulation of the Daily Telegraph from May 1 to May 18 had ranged between 181,961 and 185,950.

CARTHAGE, Mo., June 10—Mrs. Manora Johnson, weight 307, height 6 feet 2 inches, age 100, washes once

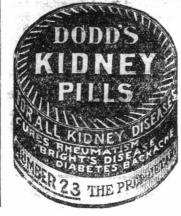

on these claims, the Daily Telegraph revelation." modified its notices Monday. It still maintained its rubric, the "largest circulation in the world," but altered mumber purchased by the public and modified its notices Monday. It still graph's figures gave no idea of the number purchased by the public and that has had much more of excitethe statement as to the average sale into "a greater circulation than any having free copies of the Telegraph man. penny morning paper.'

Holds Both Claims Wrong. Lord Northcliffe was quick to take up his rival's challenge in its new guise. The Times printed Tuesday note pointing out how the Daily Telegraph as a sequel to the "amazing upheaval in metropolitan journalism resulting from the reduction in price of the Times" had altered its circulation announcement, and ad-

"Both claims are equally erroneous and grotesque. The net sale of the ment is afoot to induce the men to and unsold copies, has since March give up drink. 16, immensely exceeded that of the Daily Telegraph." Lord Northeliffe's half-penny Daily

Mail also brought its guns to bear on the Daily Telegraph. It challenged the Telegraph to publish its actual irculation figures. Lord Burnham picked up Lore

Northcliffe's glove and printed an

### A LIVELY ROW

Between Three Armenians in Victoria Park Last Evening

Interest was centered in a little o the fray by arresting the partici- cents.

It then transpired that Andreos Lartresiten and his wife were pronet another Armenian who is alleged mentioned. This enraged Lartresian who then set upon him, aided by his had his hands badly cut. Lartresian who has just returned from a trip to the old country, where he got married during his visit. has been in the city three months, and during that time has been mixed up in four assaults. Previous to his home visit, he was confined in prison in St. Catharines, where he bore a bad record. and they are up in arms against Lar-tresian and his wife, who they say

## ADELINE PATTI, THE

There was a time, and it is not en tirely passed, when to mention prima onnas you would instantly think of Adelina Patti. She was born in Madrid, Spain, and her parents were peratic singers of Italian ancestry She first sang at an early age New York, but her fame was secur after her first appearance in London and from that time she held high ank as one of the first singers he day. The rich bell like quali f her voice and remarkable eve ess of tone had a range as a high oprano never surpased, and her lenzas and trills were the delight we much of her fame to the wa and manner in which she sang "Com n' Thro' the Rye," although her createst success was "Marguerite" in Gounod's "Faust." She never un-derestimated the value of the songs hat touched the heart. "The Last Rose of Summer" is a song that will always be identified with Patti.
