Lockhartville

The pie social held at the residence of Mrs. John Lockhart Friday evening, Oct. 4th, was a grand success.

Mr. Cann, who has been our resident pastor during the summer, has resumed his studies at Acadia.

Mr. Melbogue Fitzgerald is spending a few weeks in the United States.

Mrs. McDonald who has been visiting in Berwick has returned to relatives in Lockhartville.

Mrs. John Dickie who has for many years been a resident of this vicinity has gone to Wolfville.

Miss Ina Dickie has returned to Uncle Sam's domains.

Important repairs are being made on the Baptist church.

The sick sailors who are suffering with smallpox at Meteghan, side-track in a Dominion Railway car are very grateful towards Lieut. Governor Jones who while passing through Digby en route from the Yarmouth Exhibition, requested Customs Officer Thorne to purchase a box of fruit.

Nearly 70,000 tons of corks are needed for the bottling beer and aerated waters consumed annually in Britain.

That's a good name for Scott's Emulsion. Children are like young plants. Some will grow in ordinary soil. Others need fertilizers.

The nature of some children prevents them from thriving on ordinary food. Such children grow right if treated right.

All they need is a little fertilizer—a little extra richness. Scott's Emulsion is the right treatment.

Fertilizers make things grow. That's just what Scott's Emulsion does. It makes children grow in flesh, grow in strength, grow rich blood, grow in mind, grow happy. That's what we make it for.

BURLINGTON, HANTS CO. Not seeing any items of news from Burlington for some time past, I thought it not out of place to send a word or so from here.

Several of our town ladies are on a visit to Uncle Sam's domain. We wish them a pleasant trip.

Sied and Cart tongues can be supplied in any quantity during the Fall and Winter as quite a number were out Election day.

The high tides lately did considerable damage to the Dyke and Cogmagus river but judging from appearances there was not quite enough water for some of the Dyke owners.

Mr. and Mrs. O. M. Sanford of Halifax have been in Burlington for a few days.

Conundrums A leading article—String. Part of speech—The lips. Why do sailors call their miles knots?

You see they go on the ocean tied. My first is my end; you are in the centre and my last has no end. What is it?—Eod a-ring.

Fadier, is it right to spell it business? No, mine poy, you must always have an "i" to the business.

Why is coal the most contradictory article known to commerce? Because, when purchased, instead of going to the buyer, it goes to the cellar.

Miss's Liniment, Cures, Diarrhoea.

Hugh John McDonald, of Winnipeg, interviewed at Toronto, recently repeated his declaration that he is finally out of politics.

Mr. H. V. B. Farnsworth formerly of Aylesford is opening up a store in Auburn near the station.
