### The Busy East For June

The Busy East for June, is devoted particularly to the interests of the Annapolis Valley in Nova Scotia. Full information from every point of view industrial, commercial and scenic appears in the eighty-eight pages of this issue. In a general way, the first few articles deal with the setting and conditions of life in the Annapolis Valley and hint at the potential possibilities of that country. "Nova Scotia the Beautiful Summer Land," "The Importance of Good Hotels and of the Tourist Traffic," "The First Letter Writing Week in Nova Scotia," and an article on the Federate Boards of Trade of Western Nova Scotia, by H. G. Harris, of Kentville, are all of general interest and some of them of more particular appeal to the business man both in the Annapolis Valley and elsewhere. Following these, Professor W. Saxby Blair, of the Government Experimental Station at Kentville, contributes an authoritative article on "The Possibilities of Sheep Raising in Nova Scotia," which is followed by a sketch of the Berwick Fruit Company, an association of Apple Growers in the Annapolis Valley who have applied the principles of co-operation to the marketing of their fruit. Short descriptions then follow, of the main towns through the Valley with particular attention paid to their commercial activities and their possible development. Beginning at Digby, this series of descriptions traces through the Valley to Annapolis Royal, Bridgetown, Middleton, Berwick, Kentville, Wolfville, Hantsport and Windsor, concluding with a sketch of St. John, the American Gateway to the Tourists' Land of Promise. This number of The Busy East is profusely illustrated with scenic views throughout the beautiful Annapolis Valley and contains in addition, splendid reproductions of two paintings by the famous Canadian artist, John Hammond, R. C. A. It is a magazine which should be in the hands, not only of every business man and loyal citizen of the Maritime Provinces, but of all intending tourists and prospective settlers, forming as it does, a permanent guide to one of the most beautiful and productive sections of Nova Scotia.

### AT ARENA

"A FOOL THERE WAS" This sensational play, one of the most successful of the century, and for many years the starring vehicle of Robert Hilliard, has been converted into a supremely vivid and startling photo-play by William Fox forces.

Edward Jose, former leading man with Sarah Bernhardt, portrays in a masterly manner the "Fool," who forsakes family and friends for a soulless, sensual creature in the guise of a beautiful woman.

Theda Bara, leading woman at the Theatre Antoine, Paris, has been cast as the "Vampire," one of the most fascinating, though revolting female characters ever created.

Miss Bara's interpretation is remarkable for intense dramatic realism, while her wonderfully seductive beauty serves to enhance the illusion created by her art. Her gowns in this production were designed by the leading costumers of her native Paris.

Mabel Frenyear, Victor Benoit, May Allison, Clifford Bruce and little Runa Hodges, the clever child actress, together with many other players of reputation and ability, form a supporting company such as has seldom been gathered for a single production.

Miss Susie Baxter, Wolfville, has returned home from the Provincial Normal College, where she was qualifying for a (superior first rank) license; which she was successful in obtaining. Miss Baxter also received an M. A. degree from Acadia University this spring.
