COUNCIL MEETING

Regular Monthly Session on Wednesday Evening.

At the regular monthly meeting of the Council on Wednesday evening Mayor Chambers and all the board were present except Councillor Reid. Town Manager presented reports regarding the different branches of town government.

In the department of streets the expenditures during October amounted to \$32,43 with a pay-roll of \$23,10. The total amount expended on streets for the year has been \$369,08, and Mr. Stairs predicts that the estimates will probably be exceeded by about \$200. During the past month the work done included the application of tarvia to the permanent streets, the culverts at the bridge, hauling gravel, cleaning streets and ditches and small repairs.

For water the expenditures have amounted to \$81,58 during the month, bringing the total outlay up to \$760,13 for the year. The pay-roll for the month amounted to \$33,45, and the work done included repairs to hydrants, cleaning out service pipes, renewing old service and the finishing of the work on Prospect street.

The sewers cost the town during the month \$53,61 with a total for the year of \$267,53. Mr. Stairs reported that in order to improve the western outlet it was proposed by the Committee to construct a reservoir to provide for overflow during high tides and freshets. The college authorities have given a site for the same and in the event of a sale of their property will deed this to the town. On motion the action was approved.

The expense of the police department was \$51,15, a total for the year of \$89,30. This, of course, does not include the salary of the policeman. The pay-roll for the month included \$18 for special police at ballown.

For poor the amount expended in October was \$38,10. Coun. Balcom presented the financial statement which showed that the receipts during October had amounted to \$267,40, and the expenditures \$319,62. The debit bank balance on Oct. 31st was \$190,23.

The request for a street light on Kent avenue was approved by the Council and the Electric Commission was instructed to install same at once.

A letter from Mr. David Thompson, asking for adjustment of frontage tax on Willow avenue, because of the connection of the land being such as to make it unsuitable for building purposes, was referred to the proper committee.

The clerk was instructed to reply to a communication from the town of North Sydney, stating that so far as the repairing and maintenance of streets and roads in towns, which are used as connecting links on improved highways to the province, that town would have the full support of the Council in their attempt to have this work attended to at government expense.

A letter was read from Hon. D. A. Cameron, Provincial Treasurer, with regard to the unpaid balance on 1923 Highway Tax. Explaining the draft recently made upon the town for the balance, Hon. Mr. Cameron said: "I was under the impression that the delegation sent down from Wolfville last year received their answer at the time to the effect that it was impossible for the Highway Board to overcome the plain provision of the Statute in that regard. I appreciate the fact that your town may be suffering a hardship in comparison with other towns in Kings county because you increased your assessment out of proportion to the increases in the other towns. At the same time I would respectfully ask the Town Council to consider my position in the matter. As Provincial Treasurer I am compelled to provide a certain amount of money, based upon the annual returns made by the Municipal Clerk and the Town Clerk in each corporation, and that money must be expended within the confines of the county. This money was provided and expended in the county as the law requires. It is rather a hardship on this office after we furnish the money and lay it out on the roads in your county that you should then come back and tell us that the work of your assessors was wrong and you wish to remedy it at this end."

If there is any fault in this matter, I respectfully suggest that the mistake, if it exists, was committed by the town of Wolfville through its officers and not by any person in connection with the Highway Board or the Provincial Treasurer's office.

The following accounts were presented by the Town Manager and ordered paid:

CHILDREN'S AID SOCIETY TO MEET

It is hoped that there may be a large attendance at the annual meeting of the Children's Aid Society of Kings County, which is to be held in Parish Hall, Wolfville, at 3 o'clock next Tuesday afternoon. The work being done by this organization is a most important one and deserves the hearty support of all interested in child welfare.

Wolfville people naturally will make a point of being present and if those who reside in other parts of the county can make it convenient to attend the meeting their presence will be appreciated. During the twelve years that the Children's Aid Society of Kings County has been in existence it has, through the efforts of Mr. Stairs, the energetic and devoted agent of the Society, rendered valuable services. Many boys and girls have been rescued from most distressing conditions and given a chance to become good citizens. From an economic standpoint alone the operations of the Society well merit the approval and co-operation of the people of the county, who when opportunity has offered have freely shown their appreciation by generous contributions.

DEATH OF FORMER WOLFVILLE LADY

At Westville, Mass., Oct. 29th, Sophy Zwicker, wife of John Ingerson Brown, formerly a resident of Wolfville, died suddenly of cerebral hemorrhage, aged 77 years. Though not strong during her usual health she was apparently in her usual health up to the instant of her death, which came as a great shock, not only to her family but also to a large circle of friends. Besides being an exceptional mother to a large family, during the twenty-eight years she has lived in Westville she has taken an important part in church and temperance work, and as a result will be deeply missed. For more than twenty years she has filled the position of secretary of the local W. C. T. U. Unassuming in manner but strong in endeavor to help every worthy cause she has exerted a wonderful influence for good, and has left behind her the memory of a beautiful, unselfish Christian life, fully filled with kindly deeds. The funeral services were held in the Memorial Building of the Baptist church on Saturday afternoon, after which the remains were taken for interment to Wolfville, where they arrived on Tuesday.

Besides her husband, who is in frail health, she is survived by five children, Minnie, wife of Dr. George B. Cutten, Hamilton, N. Y.; Lorraine, wife of R. Stewart Easton, New Britain, Ct.; Kathleen, wife of Arthur M. Condon, Northampton, Mass.; Fred M., of Stamford, Ct.; and Aubrey L., of Columbus, O. Mr. and Mrs. Brown were for years esteemed residents of Wolfville, and many friends of former days sympathize deeply with the bereaved husband and sorrowing family.

ANNUAL MEETING

The annual meeting of the Children's Aid Society of Kings county will be held in the Parish Hall, Wolfville, on Tuesday, Nov. 11th, at 3 o'clock in the afternoon. B. O. Davidson, President.

Flanders Field and After

A Message from the Silent Cities of the Dead.

"In Flanders fields," "Somewhere in France,"
Or elsewhere, as the battle's chance
Has left us sleeping on the clay,
We patiently await the day
When Canada our loss shall feel
And freedom from the foreign heel
Appreciate enough to build
A temple to our name. If filled
With patriotic zeal in peace,
As when in war, Canadians cease
Not wrong to fight, and make a name
For honor, truth and right their aim,
We shall be satisfied. But rest
We cannot till we know the best
Our country e'er can do, is done
For those who fought, like us, and won,
But live, enduring toil and pain,
A meagre livelihood to gain.
Our agony is past and gone,
But they; still suffering, live on.
Treat them like men. No paupers they,
But heroes, well deserving pay
For benefits conferred. Be just;
Let swords and rifles turn to rust,
But ever keep the memory bright
Of comrades wounded in the fight.
Let justice rule in law and deed,
And every service get its meed,
So that our land itself shall be
The temple to our memory.
For us who died, some simple stone,
Or cenotaph, or shaft alone.
Is all we ask, that ye who live
May be reminded how to give,
In sacrifice, some service, small
Or great, for benefit of all.

KILLED IN WRECK

Peter Veregin, head of the Doukhobor colony in British Columbia, was among the victims who were killed in a wreck on the C.P.R. on the Kettle Valley line. It is believed that dynamite was being carried in the passenger coach which exploded. Veregin was one of the best known Doukhobors in Canada. He had many enemies, it is said, among the fanatics who wanted to get rid of him, and some of his followers believe a time bomb was used to dispose of him.

A PLEASANT SURPRISE

Last Friday evening the Rector of St. John's church addressed a meeting of his congregation regarding the question of his resignation. He read a letter from the Archbishop of Nova Scotia asking him to reconsider his resignation. After reading this letter he stated that he would leave the meeting that the parishioners might discuss the matter freely. Mr. Dixon was about to leave when Mr. George Pratt produced a roll of paper and asked the Rector to remain for a few minutes. He then read an address signed by the members of the congregation setting forth the great love and esteem in which the Rector was held and asking him to accept the accompanying purse as a memento of the completion of twenty-five years continuous service in the parish.

Following is the address which bore more than one hundred signatures: To the Reverend R. F. Dixon, Our Beloved Rector—We, the undersigned, parishioners of St. John's church, remembering that you have this month completed twenty-five years continuous service in this parish, ask you to accept this purse as a small and wholly inadequate token of our love and esteem. That you may long be spared to continue your unselfish labors in our united prayer.

Mr. Dixon, after expressing his surprise and heartfelt gratitude, left the meeting. Dr. Moran Hemmon took the chair and asked for an expression of opinion. Mr. Henry Ruffee moved and Mrs. Collins seconded a resolution of confidence in Mr. Dixon, asking him to continue to do so. Other speakers who warmly endorsed this motion were Miss Townsend, Dr. Slayter, Mr. Creighton, Mr. Sherwood, and Mr. E. P. Brown.

Next week residents of Wolfville will have an opportunity of manifesting their appreciation of the splendid community service which the V.O.N. is furnishing us. The drive this year is for eight hundred dollars and little difficulty should be experienced in going "over the top." Don't be niggardly in your giving. The V.O.N. is worth all she costs and more, and when you require her help you will be thankful that you helped retain her services.

"A BOY OF FLANDERS"

Jackie Coogan Charming and Funny in Metro Picturization of Dutch Story, Reviewed by Summer Smith.

Old and young will find "A Boy of Flanders" a delightful entertainment. This Jackie Coogan production for Metro presents the child star in a role singularly adapted to his talents, and the Dutch costumes which he wears should make him more than ordinarily appealing to the feminine element of his audiences. In addition, the story has more than the usual quota of laughs and tear-compelling situations, partly because they are so perfectly cast. Many children supply atmosphere and comedy. At the Orpheum next Monday and Tuesday.

CARD OF THANKS

The family of the late Mr. Joseph Jodrey wish to thank the kind friends who helped and sympathized with them in their recent sad bereavement; also to those who sent floral offerings.

ACADIA COLLEGIATE LOST TO PICTOU ACADEMY

In Close Contest at Truro on Saturday—Score 5 to 3

TRURO, Nov. 1.—The New Glasgow High school football squad defeated Acadia Collegiate this afternoon on the T. A. C. grounds by a score of 5 to 3. The day was dull with a chilly south wind sweeping across the field. The boys of the Blue and Red lost the position for wind, and shortly after 2 o'clock kicked off.

Their forward line with a pretty combination soon carried them into New Glasgow territory, where they met stern resistance in the shape of hard tackling, but nevertheless the New Glasgow lads were forced to touch for safety. After a few scrums on the 5 yard line, the New Glasgow boys got away, displaying nice passing and kicking, eventually forcing their way to the Acadia 25 yard line. Acadia fought hard but New Glasgow controlled the pigskin, and with a nice dribble Crowell, the hard working half liner, secured the ball and dashed over the touch line for the first score.

The ball was then placed and Tibbets with a nice kick easily connected, nothing too more for his team and increasing the New Glasgow boys supporters' enthusiasm. With both teams working hard, play surged back and forth to both twenty-five yard lines, but no further scores were made.

New Glasgow kicked off for the start of the second period, and a long kick found the ball again in Acadia territory, but with nice tackles and passes play was forced to the New Glasgow end and Acadia tried desperately to make a score. Soon New Glasgow was forced to touch for safety by the machine like tactics of the Acadia boys. A scrum was ordered near the New Glasgow line and the Acadia scrim heeled the ball out and scored a touchdown made by Smith, who could not be seen for the mass of players on top of him. Score, New Glasgow 5, Acadia 3. The touchdown was not converted.

With excitement at high pitch, New Glasgow forced the boys of the Blue and Red on the defensive, but try as they would, they could not penetrate the Acadia lines for further score. The scrum of the Acadia team appeared heavier, and they secured the ball of- fender the Green and White.

Henry Finch, of Halifax, handled a difficult game in a fair and impartial manner. The attendance was slim, only a hundred witnessing a fine football game.

The line up:
New Glasgow: Full Back, McDonald; Halves, Nicholson, Crowell, Grant, McKay; Quarters, Tibbets, Nickerson; Williams; Forwards, MacLean, Townsend, MacLean, Melville, MacLean, Murray, Thompson, Spence, MacLean, Peeples, Robertson.

Acadia Collegiate: Full-back, Wallace; Halves, Berry, (Capt.), Williamson, Raymond, Fetterley; Quarters, Hamilton, Smith, Jenkins; Forwards, Kirstead, Smellman, S. Titus, G. Titus, Herman, McLaughlin, Harrison.

Touch Judges—New Glasgow, Stanley Fraser; Acadia—Parker.

An unusual demand upon our copy space this week has prevented the customary quantity of reading matter in this issue. The demand would have been provided for by an increase in the size of the paper but for the illness of the members of the staff which made the office too busy to undertake the work. THE ACADIAN has good things in store for its readers, however, that will more than compensate for the present conditions, for which we offer our apologies.

South Africa

The initial order for Moirs Chocolates has just arrived from South Africa. It was sent by the largest retailer in Cape Town, with a branch in Johannesburg. It is a large order, placed after investigation.

Cases have to be lined with tin and soldered to stand the voyage and varying climatic conditions.

Within the year Moirs Chocolates have found a market for themselves in Africa on one side of the globe, in New Zealand on the other.
