LONGEVITY.—Last week Alexander
("Alek") Thomas died at Tyn-

third wife, now living and by whom
he had several children, does not
know his age, but supposed him to
be not less than 100 years old. From his
own knowledge of him 45 years ago
as being then an old man, I conclude
he must be near the 100. He was
really of the Negro race, but from
having married an Indian girl (his
first wife) and spent most of his life
with Indians, he has always been
called "an Indian." His third wife
is of Irish descent.—Com.
