trace it to the prisoner's possession, or even know-ledge. When the case was closed, the learned judge, addressing the counsel for the prosecution, said he thought there was hardly sufficient evidence to call upon the prisoner for his defence; and, if the jury were of the same opinion, they would at once stop the case. Upon this observation from the judge, the jury turned round for a moment, and then intimated their acquiesence in his honor's view of the evidence. The counsel folded up their briefs, and a verdict of acquittal was about to be taken, when the prisoner A definition of a very definition of a ver
