THE WEEKLY OBSERVER AND THE

Canadian Agriculturist AND HOME MAGAZINE without a rival in Canada, and unsurpassed in America, for the Stock Raiser, Dairyman, or Fruit Grower.

We are enabled by special arrangement, to offer that splendid publication, the Canadian Agriculturist, clubbed with this Journal for the small sum of \$1.25 a Year.

(Subscribers may be commended at any time.) The Canadian Agriculturist is a large 36-page Journal, neatly illustrated, and printed in a first-class manner. In amount and practical value of contents, in extent and value of correspondence, in quality of paper, style of publication, it occupies the first rank.

It is believed to have no superior in either of the three chief divisions of FARM CROPS AND PRODUCE, HORTICULTURE AND FRUIT-GROWING, LIVE STOCK AND DAIRYING.

While the Agriculturist contains all minor departments of rural interest, such as the Poultry, Beekeeping, Gardening, and Grapes, the Observer, in its Marking and Domestic Economy. Its Marking and Reports will be usually complete, and much attention will be paid to the state of the crops, as throwing light upon one of the most important of all questions—When to Buy and When to Sell. It is liberally illustrated, and is intended to supply, in a continually increasing degree, and in the best sense of a term, a Live Agricultural Newspaper.

Although the Canadian Agriculturist is larger than any of its contemporaries (its size being from 20 to 36 pages monthly, according to circumstances), the terms are

\$1 a Year, strictly in advance.

Send for a Sample Copy, which will be allowed on your subscription when received.
