Notice to Travellers.

It has become an established fact that accidents will happen notwithstanding the care and attention which may be paid to the safety and convenience of travellers.

Upon such occasions, it is invaluable! The wonderful effects of its soothing and healing properties have induced many, who have tried it, to always carry a bottle of it with them when they are travelling.

The Mexican Mustang Liniment.

Frequent tests have proven it to be efficacious in curing Rheumatism, Piles, Scrofulous diseases, Cancer, Ulcers, Old Sores, Neuralgia, Toothache, Earache, &c.

Say they will have it, and will not be satisfied without it, after giving it a fair trial. Therefore we say to travellers upon highways and by-ways use the Mustang Liniment!

The prices are as follows—25 cents, 50 cents, and \$1 per bottle; the 50 cent being three times as large as the 25 cent size, and the \$1 size nearly three times as large as the 50 cent size, so that the large bottles are cheap.

R. R. R. Highly Important to the Public.

The Sick cured on the R. R. R. Theory.

THE THREE GREAT REMEDIES.

The attention of the public is particularly directed to the three quick and powerful remedies discovered by Radway, & Co.

They invigorate, they renovate, they regulate, they relieve the suffering, pain-stricken invalid from the most torturing pains in a few minutes.

They restore the sick and diseased body to health and longevity.

To the low spirited and nervous they impart vigour, vigour, and a happy flow of spirits.

To the aged and infirm, whose constitutions are worn out by decrepitude and limbs palsied and emaciated, they impart the elasticity and buoyancy of youth in its prime.

To the young, who, between the period of youth and manhood, outgrow their natural strength, who are afflicted with languor, lassitude, less appetite, gloomy feelings, &c., they impart to the recuperative organs a healthy regularity of action.

To the thoughtless seeker and victim of animal passions, who has wasted away his strength in folly and revelry, they check the waste of manhood, and restore the organ to a sound and natural condition.

To all who suffer pain, to all afflicted with disease, the R. R. R. REMEDIES will quickly and effectually free the sufferer from misery, and restore him to his wonted state of enjoying sound health and long life.

R. R. R. REMEDIES.

The R. R. R. Theory requires only three remedies for the cure of the sick, and the protection of the human system against sudden attacks of violent diseases.

No. 1.—RADWAY'S READY RELIEF.—For the instant Relief of Pain, and quick cure of Acute Maladies.

No. 2.—RADWAY'S RENOVATING RESOLVENT.—For the effectual cure of all Chronic and Scrofulous Diseases that have been lingering in the System, corrupting the Human Body, for Five, Ten, Twenty, or Forty Years.

No. 3.—RADWAY'S REGULATORY.—For restoring and regulating to a healthy and harmonious action all the Organs in the System. A mild and effectual cathartic.

R. R. R.—No. 1.—RADWAY'S READY RELIEF is for the instant relief of the sufferer from pain, and to check and arrest the progress of manhood, to dislocate, amputate, and other violent operations, thus protecting whoever uses it against all poisonous Infection, from Contagion, and from sudden attacks of Cholera, Pneumonia, Ship Fever, Fever and Ague, &c. Likewise for the effectual and radical removal of all pains and diseases of the Joints, Limbs, Nerves, &c., in from five to fifteen minutes.

RADWAY'S READY RELIEF will stop the most distressing and violent pains, either internal or external—Nervous, Neuralgic, Bilious, or Rheumatic.

A FIXTURE IN THE FAMILY.—Every family should keep a supply of RADWAY'S READY RELIEF in their houses—it is useful in so many ailments—it is always beneficial; he guarantees it is a sure cure for Cholera, if taken in its first symptoms. If used when violent epidemics prevail, it will save life.

R. R. R.—No. 2.—RADWAY'S RENOVATING RESOLVENT.—We have said that for all chronic complaints, we recommend our RESOLVENT. The RESOLVENT resolves away all diseased deposits that have been lingering in the system for TEN, TWENTY, or FORTY YEARS.

Every person who has been troubled with any complaint for years, will require the RESOLVENT to ensure a perfect cure. The action of the RESOLVENT is directed first to the absorbents, stimulating them into action; and, second to the blood, which it depurates by its alterative action over the glands of the liver, pancreas, kidneys, &c., (which are so essential to nature) has established for purifying the blood. You will, after this description, we hope, appreciate the name we have given to the second of the R. R. R. REMEDIES OF RENOVATING RESOLVENT. It resolves away diseased deposits; it purifies the blood and removes the system. Tumors are removed and dissolved by its operation; Chronic Swellings are dissipated; Nodes are softened and melted away. The most loathsome Skin diseases disappear under its action; Scrofulous diseases are removed, and the disease checked wherever it has attacked the system. Syphilis, with all its horrible train of consequences, here find a certain and infallible cure; and Consumption, too, often finds its master. For Chronic Dyspepsia, RADWAY'S RENOVATING RESOLVENT is not only an effectual, but quick cure.

BRONCHITIS.—We know of no remedy, nor of any treatment that will so quickly and effectually cure Bronchitis as the RESOLVENT. It is in all cases a certain cure, and RADWAY'S RENOVATING RESOLVENT will be most appreciated.

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS.

Prepared by Dr. C. M. JACKSON, No. 120 Arch street, Philadelphia.

Their power over the above diseases is not equalled, if equalled, by any other preparation in the United States, or in any other part of the world, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

Read and be Convinced.

"The Philadelphia Saturday Gazette," says of Dr. Hoofland's German Bitters.

"It is seldom that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

"Scott's Weekly," said, Aug. 25—

"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as a medicine of much efficacy in cases of female weakness. Persons of debilitated constitutions will find these Bitters, between the hands of a skilful physician, to be from experience the salutary effect they have upon a weak system."

MORE EVIDENCE.

J. G. Moore, Esq., of the Daily News said, October 31st—

"DR. HOOFLAND'S GERMAN BITTERS.—We are trying this renowned medicine for a stubborn disease, between the hands of a skilful physician, to be from experience the salutary effect they have upon a weak system."

Hon. C. D. Hindle, Mayor of the City of Camden, N. J., says:

"HOOFLAND'S GERMAN BITTERS.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. Your inquiry was perused to us, and must say we found it specific in its action upon diseases of the liver and digestive organ, and the powerful influence it exerts upon the system, is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.

If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver and nervous system, the great sources of real and imaginary diseases emanate. Have them in a healthy condition and you can bid defiance to epidemic generally. This extraordinary medicine we would advise our friends who are at all indisposed to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce evidences of the same merit."

THE GERMAN MEDICINE STORE, No. 120 Arch street, next door below Sixth Philadelphia, and by respectable dealers generally throughout the country.

In this manum-wrapping Age, it is rare to find a man place his usefulness to the public, before his interest. During a late visit to the 'City of Spindles,' we were presented by a professional friend, to the celebrated Chemist, Dr. J. C. AYER, whose name is now perhaps, more familiar than any other, at the bedside of sickness, in this country. Knowing the unprecedented popularity of his medicines, and the immense sale of them, we had expected to find him a millionaire, and rolling in wealth. But so, we found him in his laboratory, busy with his labors, among his crucibles, alembics, and retorts—giving his personal care to the compounds, on the virtues of which thousands hang for health. We learned, that notwithstanding his vast business, and his prompt returns in cash, the Doctor is not rich. The reason assigned is, that the material is costly, and he persists in making his preparations so expensively, that the net profit is small.—American Farmer, Phil.

The Renowned Remedy!

HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS ULCERS—A CASE CERTIFIED BY THE MAYOR OF BOSTON.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To Professor Holloway.

Dear Sir,—Mrs Sarah Dixon, of Liverpoolport street, Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arm, feet, legs, and other parts of her body; and although the first of medical aid was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules, as to diet, &c., she was perfectly cured, and now enjoys the best of health.

I remain, Dear Sir, yours truly, J. NOBLE.

AN EXTRAORDINARY AND RAPID CURE OF ERYSIPELAS IN THE LEG, AFTER MEDICAL AID HAD FAILED.

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Baginbun, Sussex, dated January 12th, 1853.

To Professor Holloway.

Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg, and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighborhood similarly afflicted, who derived equal benefit.

I am, Sir, your obliged and faithful Servant, (Signed) ELIZABETH YEATES.

A DREADFULLY DISEASED ANGLE CURED AFTER BEING GIVEN UP BY THE FACULTY, AT MALTA AND PORTSMOUTH HOSPITALS.

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King-st., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 19th, 1853.

To Mr. Dixon.

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines.—Mr. John Walton, late in Her Majesty's Service, in the British Fleet at Malta, had a very bad ulcerated ankle, and after having been in the Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate four months, there, as at Malta, refusing to have the limb amputated, he was turned out incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his ankle became so much worse that all hope was lost. At this period, by my advice, he tried Holloway's Ointment and Pills, which, by unremitted application, healed all the ulcers, and restored him to perfect health and strength.

I remain, Dear Sir, yours very truly, (Signed) JOHN SMITH.
