Scott & Bowns:—Gentlemen,—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's EMULSION OF COD LIVER OIL with Hypophosphittes and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases.

Messes. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil. with Hypoprosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly agreeable and elegant form.

Messes. Scott & Bowne:—Gentlemen,—In September, 1877, my, health organ to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and moraing coughs, night sweats and short, breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of live and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I afterwards bought a dozen bottles, with the following results: Coughs subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength-returning, and my weight increased from 118 to 140 pounds in austeen weeks. I have taken no other medicine, ince commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, "What cured you?" and I answer, "Scott' Emulsion or Cod Liver Oil. etc." I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. About the 19th of last April I got a bottle of your EMULSION and at that time I was so prostrated that no or who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I dommenced the use of the EMULSION in small dose; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commence mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other parties to try is, and some two on those have already tried it. I am sure I shall entirely recovet.
