

SIX MEN ARE SENTENCED TO DEATH

Montreal June 23—Louis Morel; Giuseppe Serafini; Tony Frank, Mike Valentino; Frank Gambino and Leo Davis will be hanged on October 2 for the murder of Henri Cleroux here April 1 when the Hochelaga Bank collection car was held up and robbed of \$142,288 and Cleroux and one of the bandits, Harry Stone were shot dead, unless an appeal or commutation of sentence should intervene in the case of either or all of the convicted men before that date.

The jury in the Court of King's Bench took exactly 11 minutes to agree on their verdict which they delivered at 5:30 this afternoon.

Juryman No. 6 spoke for the 12 and replied to the summons of the clerk of the Court: "Guilty of murder" was first in regard to Giuseppe Serafini.

The names of the other five were then called by the clerk and to each the reply came back in firm tones: "Guilty of murder."

The court after a 15 minute conference between judge and lawyers address the formal enquiry to Serafini if he had anything to say why formal sentence should not be passed upon him. The convicted man's lips quivered; his eyes reddened; a few tears welled over his cheeks and he sighed and shook his head.

The question was then put to Tony Frank, who in a thin weak voice asked for the help of the official interpreter. While the interpreter was being called the invitation to speak was passed on to

MRS. HONORE VALIQUETTE

The wonders of the famous Fruit Treatment are only revealed when you read a letter like this, which comes from Madame Valiquette, 1183 Notre Dame St. W., Montreal.

"For three years, I was troubled with bad Headaches, Nervous Dyspepsia and Liver Troubles. Then, I began taking 'Fruit-a-tives'. Very soon my condition improved, and thanks to these wonderful fruit tablets I am once more entirely well!"

"Fruit-a-tives" is the juices of apples, oranges, figs and prunes, intensified and combined with tonics—and forms a complete fruit treatment for Stomach, Liver, Kidney and Skin Troubles.

Frank Gambino. "All I have to say said Gambino 'is that I do not know anything about it.'"

After the others had been interpreted the judge donned the black cap and pronounced the death sentence. The prisoners were taken to the Bourdeau jail under guard.

Here and There

British Columbia's agricultural production last year increased in value \$4,000,000 over the 1922 period, figures compiled by the provincial Department of Agriculture show.

A steady increase in the volume of wheat exports from Canada is noted in the monthly statement just issued by the Dominion Bureau of Statistics. In April, 1924, 5,085,465 bushels in all were exported, as against 5,143,304 in April, 1923.

It is anticipated that hundreds and thousands of visitors to the beautiful Annapolis Valley, Nova Scotia, will help to celebrate the famous fruit-district's "Apple Blossom Sunday," which falls on June 8th this year. The entire orchard belt, extending from Annapolis Royal to Windsor, a distance of about 80 miles, is always white and pink with blossom in the first part of June.

Hon. Honore Mercier, Minister of Lands and Forests, speaking of arrangements made in the province for forest protection this year, stated: "I really believe that the way the service is organized and with the good-will manifested by all classes of the community, who realize the importance of protecting our national domain, the year will be a good one and the losses reduced to a minimum."

The report of the statistician to the board of grain commissioners for April, recently issued, records the heaviest spring grain shipping season on record. The report says that there are indications that all the surplus of the western crops will be moved as fast as transportation facilities permit, as export purchases are to be heavier than usual and all ocean tonnage out of Montreal for May and June has already been engaged, as well as part for the July loading.

Something new in the way of railway equipment is the new storage battery car now operating over Canadian Pacific lines between Galt and Hamilton. The car attains a speed of 35 miles per hour and makes two trips a day in each direction. It has three compartments, general, passenger, smoking and baggage, is of all-steel construction and will accommodate 50 passengers. The service is reported to be giving every satisfaction to the people of the district.

Interviewed in Vancouver as to the success of the round-the-world cruise completed on May 27th by the "Empress of Canada," E. W. Beatty, said:

"To gauge the success of the 'Empress of Canada's' round-the-world cruise one has only to ask the passengers their opinion of the entire trip. I spoke to several while crossing from Victoria and without exception they all expressed their complete satisfaction with the ship, its officers and the arrangements made and carried out since the day she left Vancouver, almost five months ago.

"That is good enough for me. It is simple demonstration that the Canadian Pacific can successfully conduct cruises in competition with any organization in the world and maintain that company's standing as a credit to Canada. The 'Empress of Canada' has carried the Canadian flag over the seven seas and into most of the world's great ports, and the missionary work she has done for Canada in the various countries touched should not be lost sight of. As one result of the undoubted success of this cruise, we look forward with renewed interest to the Canadian Pacific cruises of next season. They include the West Indies, the Mediterranean and another round-the-world cruise which will be made by the 'Empress of France,' already overhauled and fitted with a view to providing the greatest possible comfort for her passengers. The experience gained this year will greatly help in enabling us to make these cruises even more successful than those recently completed."

What do other eyes see?

Ask and answer this question honestly

Your mirror can tell you what other eyes see—if you will consult it honestly, and honestly accept its judgment.

But you need not fear its verdict. Because unlovely skin need not remain unlovely. The alluring youthful complexion Nature gave you may be yours today.

Millions of women now follow this simple rule to keep the radiance and beauty of schoolgirl complexion. You can, too.

Just this

Cleanse the skin regularly, authorities say, to keep your complexion lovely, radiant, youthful. But beware of harsh cleansing methods. They injure skin.

Wash thoroughly with Palmolive Soap—each night before retiring. Rub the creamy, foamy lather well into the tiny pores. Rinse—and repeat the washing. Then rinse again.

Then—if skin is dry—apply a little cold cream. That is all. Skin so cared for is not injured by cosmetics, by wind and sun, or by dirt.

The simple, and correct way

You cannot find a more effective beauty treatment, because Palmolive Soap is blended of rare palm and olive oils—famous for mild but thorough cleansing qualities since the days of Cleopatra. And it is inexpensive.

Be sure you get Palmolive—which is never sold unwrapped. All dealers have it. After even a short period of this treatment you will see a marked improvement in your skin.

Many now use Palmolive for the bath—letting it do for the whole body what it does for the face.

DOMINION DAY

From the wave-washed wharves by Fundy's tide,
To the snow-crowned Western Hills,
The flags float high on our natal day
And the soul of the nation thrills
The crosses bend in the summer breeze
And from each crimson field
Flows the loyal faith to our God and King
That a free-born people yield.
There's a richness poured from our golden fields;
There's a wealth in our wood and mine;
Not from these alone glows our conscious pride—
'Tis the glory of birth and line.

For we hold with our km across the seas
From whence our sires came
By right of birth, by deed and faith
And common pride of name.

And the free held ties of kindred trust
That weld our nationhood
Were sealed on the altars of sacrifice
By the sons of our race and blood.

So we lift our heads with a prouder grace,
While the "Jacks" are flying free
On the day we keep with a firmer faith
In the Land of the Maple Tree.

MRS. BUDGE SO WEAK COULD HARDLY STAND

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health

River Desert, Que.—"I used to have a severe pain in my side. I would be unable to walk fast and could not stand for any length of time to do my ironing or washing, but I would have to lie down to get relief from the pain. I had this for about two years, then a friend told me to try Lydia E. Pinkham's Vegetable Compound as she had had good results. I certainly got good results from it, too, as the last time I had a sore side was last May and I have not had it since. I am also glad of having good nursing for my baby, and I think it is your medicine that helped me in this way."—Mrs. L. V. BUDGE, River Desert, Quebec.

If you are suffering from the tortures of a displacement, irregularities, backache, headaches, nervousness, or a pain in the side, you should lose no time in trying Lydia E. Pinkham's Vegetable Compound.
